THREE OF THE MORE than 360,000 Americans in Viet Nam get ready for their Thanksgiving Day turkey dinner with all the trimmings. At a mess hall in Cu Chi are, from left, Lt. Col. Felix Salvador of Honolulu, commanding officer of the 7th Battalion, 11th Artillery, and battalion members Lt. Thomas Faurie of Pittsburgh, Pa., and Sgt. Maj. Charlie Theriac of Vincennes, Ind. (AP Wirephoto by radio from Saigon)

U.S. Troopers Aid S. Viet In Rout Of Reds

SAIGON, South Viet Nam (AP)—Two Vietnamese irregular companies and their U.S. "Green Beret" Special Forces advisers came out on the night in heavy combat with a Communist force in the tangled jungles of War Zone C, an American command spokesman announced.

A U.S. Army company linked up with the 240 or so irregulars, he said, and "the Viet Cong fled." There was no final report of casualties on either side, though initial advices were that allied losses were light.

American artillery and air strikes had pounded the Communist troops in the action, in Tay Ninh Province nine miles northeast of Tay Ninh City and about 45 miles northwest of Saigon.

North Vietnamese troops wiped out a similar Vietnamese force in the same region a month ago.

The Tay Ninh action was the most spectacular ground contact in a day which saw U.S. 1st Cavalry Division troops chase the Viet Cong up river valleys of the central coast in Binh Dinh Province while 25 Division infantrymen scoured caves in the highlands and found numerous graves.

U.S. Air Force and Navy planes were beset by heavy weather over North Viet Nam for the eighth day in a row Thursday, but chalked up a total of 101 missions.

U.S. Marine Corps planes were active in South Viet Nam, flying a record 257 sorties against Viet Cong targets, mainly in support of ground operations in the vicinity of the demilitarized zone between the two Viet Nams.

The battle area was in deep jungle. U.S. infantrymen are operating in the same region, and preparations were being made to rush reinforcements into the fight.

U.S. officials, meanwhile, untangled the confusion surrounding the Thanksgiving Day ambush of an American civilian-military convoy on Highway 11 south of DaLat.

Final casualty figures announced today were one U.S. military man killed and six wounded, one U.S. civilian killed, one Canadian civilian killed, four Koreans killed, one Filipino killed and one Vietnamese killed.

Cavanagh Grooms Jolly St. Nick

By The Associated Press
Thanksgiving 1966 waited into Michigan history today amid memories of delectable aromas of turkey and trimmings, or more modest bounties.

And children's minds turned eagerly to the thought: If Christmas is far behind, can Thanksgiving be far behind?

Santa Claus made his debut Thursday before a record 475,600 cheering people who lined the streets of Detroit for the 40th annual J. L. Hudson Co. parade.

Mayor Jerome Cavanagh welcomed jolly old St. Nick to the Motor City and Santa assured everyone that the elves at the North Pole were making speedy progress toward his annual Christmas Eve journey.

Ypsilanti Father Held For Murdering Wojcik

GEMINI 12 command pilot James Lovell and Mrs. Lovell pose with President Johnson after receiving an Exceptional Service Medal and citation for outstanding contributions to space flight and engineering in the final flight of the successful Gemini program. Lovell and fellow astronaut Elwin Albrit and other program officials were honored at the President's Texas ranch. (AP Wirephoto)

Plumber Faces Court Hearing Friday, Dec. 2

By DAVE ANDREWS

A Ypsilanti father of five children was charged with murder Thursday in the fatal shooting of 30-year-old Walter (Tony) Wojcik of LaBranche last Friday.

Preliminary hearing for Claire Gordon Slick, 44, a United Auto Workers bargaining agent at the Ford Motor Co., Dearborn engineering plant, was set for 2 p.m. Friday, Dec. 2, by Justice Ewald of Menominee. Slick was held without bond in the Menominee County jail.

Slick was arrested in Ypsilanti late Wednesday by Sgt. Edwin Hill of Marquette and Det. Sgt. Roy Tanner of Ypsilanti, both Michigan State Police officers. Hill was in charge of the investigation, working out of the Gladstone Post.

The accused was brought to Menominee County for arraignment Thursday and was represented by attorney Richard Ryan of Ann Arbor.

Menominee County Prosecutor Russell Bradley said "to insure a fair trial, I have directed that no details concerning the offense will be issued by any law enforcement agency and none will be issued by my office."

Was Hunting

Bradley said he demanded the preliminary arraignment of Slick at the arraignment. He said that Slick was seen hunting in the LaBranche area at the time of the shooting. Two of Slick's teenage sons, Paul and George, were in the hunting party.

If reason to bind Slick over to Circuit Court is found at the preliminary hearing, Bradley said the accused would appear at the term of Circuit Court for Menominee County which begins Monday, Jan. 9.

Slick was wearing moccasins, a jacket and overalls when he was arrested. Before being lodged in the Menominee County jail, he was fingerprinted and photographed by sheriff's officers.

Wojcik was found dead Friday afternoon, Nov. 18, by his mother, Mrs. Bertha Wojcik. She told police he had left the residence about 7 a.m. to check the property and had failed to return home.

The Wojcik's have had repeated difficulty with trespassing hunters. The family reported Sunday, Nov. 13, that a lock and chain had been stolen from a gate on the property near the area when Wojcik's body was found.

Police said Wojcik was lying on his back on Kimberly-Clark property about 80 to 100 yards from the gate. He had been shot once in the lower chest with what police said was a larger caliber bullet than the .22 rifle he was carrying. Wojcik's rifle, which he took with him when he left the house, was found near the body.

The Wojcik family owns over 1,100 acres of land in Harris Township, Menominee County. Most of it is heavily forested with hardwoods and pines. A sign was posted near the gate.

Edward F. Polinski, Menominee County sheriff, said Slick is being held in an individual cell. He described Slick as 6-foot tall, 220 pounds, with blonde hair and blue eyes. He said Slick was born July 9, 1922, in Ypsilanti, Mich., a community about 1,050 people located 11 miles north of Cadillac.

Approved GE Pact

GRAND RAPIDS (AP)—Vase increases, pension improvements, additional paid holidays and an incentive savings plan in which the company will participate were among provisions in a contract approved Thursday by Carpenters & Joiners Local 238 and the Architectural Systems Division of Westinghouse Electric Corp.

35 Nations Join In Aid To Italy

FLORENCE, Italy (AP)—In a spontaneous outpouring of affection for this flood-ravaged city of Renaissance treasures, art lovers around the world have rallied to help Florence heal its wounds.

The cause has linked bankers and beatniks, connoisseurs and common laborers, the famous and the unknown of at least 35 lands.

Three weeks after flood waters ruined some of Western culture's most precious relics, these art lovers have set in motion a far more friendly flood—pouring into Florence millions of dollars in cash and supplies, thousands of hours of volunteer labor and the knowledge of scores of art experts.

Much of the assistance has gone to the poor, homeless and sick of this city of 450,000, as well as to salvage its art.

The job of restoration is enormous. Dr. Ugo Procacci, superintendent of Florence galleries, has estimated it will take more than \$20 million and at least 20 years. Experts have listed damage to 1,500 painted masterpieces and several million books and ancient manuscripts.

Dozens of aid committees have been hastily organized. Mrs. John F. Kennedy is honorary president of the New York-based Committee to Rescue Italian Art, which hopes to obtain \$2.5 million for emergency "first aid" restoration.

The State Department in Washington said that following the Nov. 4 floods across northern and central Italy, U.S. forces in Italy flew 800 hours of helicopter rescue operations. They also airlifted a German water filtration plant and 24 Dutch water-tank trucks and distillers.

The department said Americans delivered 18,000 C rations, 1,500 cans of evaporated milk, 2,600 blankets, quantities of diesel fuel, 150,000 vitamins C tablets and other medicines and supplies.

The State Department said

Weather

New York Has Health Hazard Smog Blanket

NEW YORK (AP)—A stagnant air mass trapped a blanket of smog over New York City but fears of a major health hazard diminished.

Officials said air pollution remained about 1½ times the normal amount but had dropped from the critical level it reached Thursday night.

No deaths were attributed to the smog by the city's hospitals. The Weather Bureau forecast cloudiness and some showers in the area, alleviating the air pollution during the morning.

Austin N. Heller, city commissioner of air pollution control, said the weather pattern is expected "to result in a break-up of the air inversion and in much lower levels of pollution."

Heller said an air pollution reading of 60.8, or five times the average amount, registered at 8 p.m. Thursday may have been the city's highest. Early today it was 18.5.

The count, based on a statistical measurement of sulphur dioxide and carbon monoxide in the air, indicates the amount of harmful substances in the atmosphere. The average reading is 12 and the level considered dangerous is 50.

The smog over New York was part of a massive inversion blocking the escape of fumes from the lower atmosphere along areas of the Middle Atlantic Coast.

Heavy pollution was reported in Philadelphia and Boston, where sulphur dioxide in the air reached six times the normal level Thursday. Weather bureaus in both cities predicted there was a chance of relief today or Saturday.

At the smog's height in New York, Heller said he was "very, very close" to calling an air pollution alert which, if put into effect, could have closed some industries and kept cars from the streets.

Scranton Drills Holes To Fight Mine Fire Gas

SCRANTON, Pa. (AP)—There was no long holiday weekend for those drilling holes in the streets of South Scranton, searching for an underground mine fire that has filled homes in the area with deadly carbon-monoxide fumes.

Men stood by rotary drills throughout Thanksgiving Day and into today, punching holes in the earth they hope will "bleed off" the fumes rising from the subterranean fires.

Mayor James J. Walsh said holes would be drilled until the fire is pinpointed and every effort made to extinguish the blaze that has forced evacuation of some two dozen families. Walsh said this could mean drilling 120 holes.

In the past 48-hours 10 holes were drilled in the continuous effort to get to the source and allow the fumes to escape.

Police and National Guard troops roped off an eight-block section of this city in Pennsylvania's anthracite region to guard against looting at homes evacuated after the fumes began rising during the past week. Health officials have declared at least four houses "unfit for human habitation."

The fire is in abandoned mines under Scranton. There have been no deaths resulting from the current outbreak of fumes, authorities said. The mayor said the holes drilled so far have not reached the fire. However, the holes, which go to a depth of 126 feet, are allowing bottled-up fumes to escape into the air. The holes are about 25 inches in diameter.

David Lawrence Funeral Today

PITTSBURGH, Pa. (AP)—Loved ones, friends and associates pay final respects today to David L. Lawrence, longtime national Democratic power and former governor of Pennsylvania.

Lawrence will be buried in Calvary Cemetery after Roman Catholic services at a funeral home and St. Mary of Mercy church.

Lawrence, 77, died Monday following a heart seizure Nov. 4.

Early Bird 2

LONDON (AP)—The first live telecast between Britain and Australia was made today via the Early Bird 2 Satellite.

TWO HOUSTON, TEX., youths were killed Wednesday night when this small motorcycle was hit from the rear by an automobile on Interstate 10 near Lake Charles, La. The impact drove the cycle's rear end into the front of the car. Police said the car continued for five miles before stopping. The car's front wheels are on a dolly used to tow the entangled machines to State Police headquarters. (P Wirephoto)

Viet War Issue In Australia's Vote Saturday

SYDNEY, Australia (AP)—The commitment of 4,500 fighting men in Viet Nam is the big issue in Saturday's Australian national elections. Prime Minister Harold Holt's government, which sent the troops to war, is heavily favored to survive.

"Foreign policy is the very core of this election and that's how it has been, if foreign policy is taken to mean the wisdom of being involved in Viet Nam," Holt declared early in the campaign.

Despite a rash of anti-Viet Nam demonstrations, political circles say that feeling does not appear strong enough to give victory to the Labor party of Arthur A. Calwell.

Labor has 52 of the 124 seats in the retiring Parliament and needs a big vote to swing to win a majority and unseat Holt. The ruling Liberal-County party coalition has 71 seats. There is one independent.

Holt is a Liberal. In campaign speeches, Calwell said: "We will act, in consultation with the American authorities immediately if we become the government, to withdraw all conscripts in Viet Nam."

New Political Strife Agonizing Red China

Reports from inside Red China indicate the country is in for a new wave of political turmoil.

There is evidence of rising resistance these days to "the great cultural proletarian revolution" which has served as a screen for a widespread purge and a tense struggle for power.

The general political department of the Chinese army itself is the source of a report of attempted sabotage of a trainload of young Red Guards. They would have plunged to their deaths, according to the announcement, except for the action of a young soldier who, posing as a hero and a model for the army.

The Red Guards—most of them under 18 and indoctrinated since the cradle—have been rampaging since mid-August in the cause of defending "Mao Tse-tung's thinking."

The hundreds of thousands of youngsters, often recklessly cruel, have struck at everything which even breathed of a suspicion of opposition to the current leaders of the Peking politburo.

Guards spread discontent. There has been a series of reports of clashes between the Red Guards and those who are resisting them. The attempted sabotage of the railroad train appears to underscore the seriousness of this resistance.

Such reports hint that at times the Red Guards get out of control of those who are using them and that the youths are spreading discontent and dissension through the country.

On Long Rampage

At the same time, however, the Red Guard movement represents an important hand for those currently on top in the Peking Politburo. The movement obviously was created to enforce their will.

In creating the Red Guards, the politburo not only bypassed the 9-million strong Young Communist League and other organizations such as the All-China Students Federation, but it virtually dismantled the league.

The league's members range in age up to 40 or more. It had been a political instrument of Peng Chen, the deposed mayor of Peking, who had represented a threat to the current leadership because of his command of the Peking garrison.

In effect, the Young Communist League and others who were thus bypassed now represent a huge gray area whence can come rising opposition to the unbridled violence of the Red Guard movement. Evidently, the bulk of its membership had been too mature to be assigned the task of enforcing a new "Cultural revolution."

World Leaders Urge Pope Change Church Birth Control Stand

NEW YORK (AP)—The appeal by 85 of the world's religious and scientific leaders to Pope Paul VI to change the Roman Catholic Church's stand on birth control says "man's responsibility to the next generation includes a primary duty to limit that generation's size."

The signers of the letter to the pontiff ask him to join in preventing a world overpopulation disaster by supporting birth control.

The letter notes the Roman Catholic Church's opposition on moral grounds to artificial birth control.

"It is the mark of great religions and the obligation of great leaders to recognize that changing conditions demand changing applications of unchanging moral values," the appeal said.

The letter, whose signers include 21 Nobel Prize winners, was sent to the Pope on June 2. Receipt of the letter and its presentation to the Pope were acknowledged for the Vatican June 27 by Msgr. Angelo Dell'Acqua of the papal office of secretary of state.

The text of the letter was made public Thursday by the two men who drafted it—Dr.

Edward L. Tatum of Rockefeller University, winner of the Nobel Prize for medicine in 1958; and Dr. John C. Bennett, president of Union Theological Seminary, both of New York.

Dr. Bennett said the statement—titled "The Moral Imperatives for Regulating Birth"—had been circulated to about 100 theologians and scientists throughout the world. The 85 who signed are in 20 nations.

The letter to the Pope said that because of the spectacular increase in the world's population—especially through scientific achievements in saving and prolonging life—"man's future is threatened less by rampant disease than by unbridled reproduction."

Therefore, the appeal said, "if future generations are to enjoy the quality of life made possible through the advances of science, our new moral imperative must call for the conscientious regulation of fertility."

The Pope's last public statement concerning birth control was made Oct. 29, when he said he needed more time to decide on the question. Church rules forbid Roman Catholics to employ artificial contraception.

Bids Not Required:

Council Within Law In Selling Land To C&NW

The Escanaba City Council was not required by law to gain the approval of the Planning Commission before it disposed of land on the north bay shore to the Chicago & North Western Railway Co. City Attorney John G. Erickson has advised City Manager George Harvey.

The opinion was requested by the city manager for the City Council after questions were raised concerning the action of the Council on Sept. 1, 1966, in approving the sale of 48 acres of city-owned land to the North Western Railway for \$35,000.

Some members of the Planning Commission questioned whether the Council could act without first receiving the recommendation of the Planning Commission and advertising the property for bids.

In the past it has been customary for the Council to consult with the Commission and to advertise for bids for the sale of so-called "non-governmental" property as well as other city-owned lands.

No Limitation
City Attorney Erickson was requested by the city manager to report relative to the powers and duties of the Planning Commission and the authority of the City to dispose of its property.

His reply, in part, as it re-

lates to the action of the City Council in disposing of the shore frontage north of the C&NW ore dock to the Railway.

"A municipality may, as a public corporation, exercise all corporate powers except those prohibited by the law or the constitution. There are certain restrictions imposed upon a municipality regarding the disposal of public ways or streets or parks or public owned utilities. This type of property is known as governmental property."

"The law defines that before the characterization of property within this category be changed, action by the planning commission must be first be had to be followed by approval or disapproval of the City Council."

Need Not Advertise
"However, there is no limitation or restriction of the disposal of municipally owned property classified as non-governmental property."

The city attorney cites the responsibilities of the Planning Commission in "furthering the desirable future development of the municipality under the master plan" and concludes:

"In general, and to recapitulate, the duties of the planning commission and their powers is to lay out in general, in a master plan, the adoption of a scheduled orderly development of a municipality, the zoning of the municipality which would necessarily include the various land uses, the layout of streets, parks and public ways and the planned growth or expansion of the community for future development."

"I can find no Michigan law that requires a city to advertise the sale of non-governmental city property, prior to such sale."

The North Western Railway sought the land for an expansion of its ore-loading facilities, including a new dock, at Escanaba.

Former Resident Dies Thursday

August Hugo Berglund, 62, a former Gladstone resident, died in Detroit on Thursday. He is survived by one son, William of Ensign.

The body is being sent to Skradski Funeral Home in Gladstone where services are tentatively set for Monday.

The Salvation Army has its own navy! Five vessels make its services available in the waters of Japan, The Netherlands, France, England and Alaska.

Suomi Drives For Gym Fund

The Copper Country alumni of Suomi College will kick off the campaign for the new physical education building during a dinner at the Student Center on Sunday evening on the college campus, Hancock.

Speaker for dinner at 7 o'clock is Dr. Henry Endress of Waterloo University of Waterloo, Ontario, vice president and director of University Resources at Waterloo Lutheran University.

Alumnus and member of the college board of directors, O. A. Maillia has been named chairman of the alumni drive to raise \$40,000 towards the campaign goal of \$350,000.

Bill Givens '56 will preside at the evening's program. A former instructor at Suomi, Givens is administrative assistant in the Hancock schools. Alumni Association president, Ray Franz, stated that others taking part in the program are the Rev. Louis C. Cappo, Emerson Jury, assistant to Suomi College president Ralph J. Jalkanen and Pastor E. Oiaf Ranninen.

Total cost of the new gymnasium is estimated at \$1.4 million. Three-fourths will be furnished through a federal loan and grant and matching funds must be raised by the college from its friends and alumni, along with corporations and foundations.

Russell Hoyer, Suomi board member and president of Upper Peninsula Power Co., has accepted the general chairmanship of the drive. Other leaders in the campaign will include Walker Ciesler, Detroit Edison Co.; Dr. James Boyd, Copper Range Co.; John Archer, Schlitz Brewing Co.; Burton C. Peterson, Calumet & Hecla, Inc.; Abbott Fox, Abbott Fox Lumber Co.; John Wolgast, Kimberly Clark Corp. and former Gov. Wilbur M. Brucker.

Edgar Lewis Taken By Death

MANISTIQUE—Edgar Lewis, 82 of Rte. 1, M-94, Manistique was found dead at his home on Wednesday. He was born April 9, 1884 in Canada and came to Manistique from Sault Ste. Marie 55 years ago. He was a farmer and also served as a Schoolcraft County Road Commissioner. He was married to the former Anna MacGregor on June 15, 1918 and she passed away on March 30, 1963.

He is survived by two sons, Thomas of Munising and Perry of Manistique; one daughter, Mrs. Lloyd (Florence) Fragle of Grand Rapids; three brothers, Wesley of Allen-Craig, Ontario, Canada, Erwin and Dalton of London, Ontario; one sister, Mrs. Fred Hodges of Manitoba, six grandchildren and four great-grandchildren. Complete funeral services will be conducted at the Messier-Brouillette Funeral Home Chapel at 10 a. m. Saturday with the Rev. Ingmar Levin officiating. Burial will be in Fairview Cemetery. Friends may call from 4 to 9:30 p. m. Friday.

SIGHT AND SOUND RECORDER that combines the functions of television camera and tape recorder in a single unit for surveillance of moons and planets by man-made satellites has been developed by RCA. Advantages of the new camera include: ability to store high-density information for long periods, extremely high radiation resistance, omny of size and weight. The plastic tape can be erased and completely electronic processing of photographs and sound-re-used indefinitely.

Museums Stimulate Educational Growth

WASHINGTON (AP) — The Smithsonian Institution, a treasure house of relics, is embarked on a new venture which is intended to have impact on cities and small towns throughout the nation.

The program is keyed to museums and how they can pay off in the far-reaching benefits of stimulating educational growth and the immediate benefits of producing income for towns and cities.

Frank A. Taylor, director of the United States National Museum of the Smithsonian Institution, says the Smithsonian is intensifying cooperation with more than 5,000 existing museums, and also is engaged in training curators and other museum workers.

The 89th Congress passed, and President Johnson signed, legislation providing for a million-dollar, four-year start on the program. The underlying aims are to help improve present museums and to encourage communities which do not have them, to start now on setting them up.

At the Smithsonian, top Washington attraction for tourists and scholars, is a center of study that in recent years has

Mrs. J. Young Dies Suddenly

Mrs. Jennie A. Young, 62, of 403 Michigan Ave., Gladstone died unexpectedly Wednesday evening at the home of her daughter, Mrs. John Syverson of 915 Michigan Ave.

Mrs. Young was born Aug. 29, 1904 in Limestone, Mich., and has resided in the Kipling-Gladstone area most of her life. She was employed by Eaton, Yale and Towne. Her husband James died Oct. 30, 1951.

She is survived by one daughter, Mrs. John (Patricia) Syverson, Gladstone, two sons, Robert and Willard of Gladstone, and 12 grandchildren; four brothers, Walter and Toivo Anderson of Kingsford, Wilho of Gladstone and Eino of Escanaba; four sisters, Mrs. August Waeghe, Mrs. Wilmer Beckstrom and Mrs. John Bernsten of Escanaba and Mrs. John Lahti of Kenosha.

Friends may call at the Skradski Funeral Home after 3 p. m. today and funeral services will be conducted at 3 p. m. Saturday at the Skradski Funeral Home Chapel with the Rev. Clifford DeVor officiating. Burial will be in Fernwood Cemetery.

Yule Trees Are Moving South

Delta County Christmas tree growers have been cutting trees for the past three weeks and are now moving them to market. Trees will be offered for sale on retail lots in the cities immediately after the Thanksgiving holiday is over.

Most of the Christmas trees produced in the area are in good demand because of their high quality. Plantation trees are cared for by pruning and shaping and many producers of native balsam do not leave it to chance, either. They do some pruning and shaping to make up a higher quality tree.

White Scotch Pine has become a popular Christmas tree balsam will not be eliminated, says J. L. Hevman, Delta County Extension Director. Balsam has a pleasant aroma, and holds its needles well. If sheared it will thicken in branches and foliage to make a desirable tree.

For the most part, Christmas trees are sold wholesale out of this area. At one time most trees were sold on lots in Chicago by the owner of the trees. Today, the tree grower produces more than he could handle on a retail lot, which results in wholesale selling and increasing the volume.

George A. Cota Dies Wednesday

George A. Cota, 79, of Spalding died Wednesday at the Pineside Medicare Facility. He was a retired welder.

Born July 6, 1887 in Fish Creek, Wis. he had resided in Spalding most of his life. His wife, the former Mary Nolde died in 1929. Mr. Cota was a member of St. Francis Xavier Church.

Surviving are three daughters, Mrs. Francis Mullins of Escanaba, Mrs. Thomas Boyle of Alpena and Miss Margaret Cota of Chicago; one brother, Fred of Racine and six grandchildren.

Friends may call at the Kell-Tondin Chapel after 2 p. m. today and the parish rosary will be recited at 8 p. m. Funeral services will be conducted at 9:30 a. m. Saturday at St. Francis Xavier Church with Rev. Raymond Przybylski officiating. Burial will be in the Spalding Township Cemetery.

Loses Election; Writes LBJ For Treasurer Post

YPSILANTI (AP) — After Raymond Saari lost the election this month as Ypsilanti Township treasurer, he applied for the first treasurer's opening he could find.

Treasurer of the United States of America.

Why not? The 29-year-old Saari thought.

"One job is as good as another," he said. Saari sent a \$1.29 telegram to President Johnson, asking for appointment to the post recently vacated by Mrs. Kathryn Granahan. He noticed the job opening in a news story saying Mrs. Granahan was resigning because of poor health.

Compared with the Ypsilanti Township treasurer's job, he said, "It's just a bigger office, the accounting procedures would not be any different. The amount of money would be greater."

After all, Saari figures he is qualified because of "quite a big job" he performs as township treasurer. "We collect over \$5 million in taxes, plus special assessments, each year."

Saari adds that he runs an efficient office — "We always collect in our county the highest ratio of taxes — 98 to 99 per cent."

He's no stranger to Washington: "I've been on official visits for the township."

The eight-year Air Force veteran, former truck driver, former boxer and one-time school teacher says he's in excellent health and will "entertain any reasonable offer" from President Johnson.

"Money is really no object," said Saari who is paid \$11,000 a year in Ypsilanti Township. "I've been rich and I've been poor and I don't see any difference between the two."

Saari, married and the father of a 1-year-old boy, is a Democrat who lost in Gov. George Romney's Republican election sweep.

He asked for a recount in his one-vote loss to Republican James Cooper, an accountant with General Motors Corp.

Saari hedges on which treasurer's job he would take if he was offered the U.S. position and won the recount. "I would have to resign either one or the other."

Delta United Services

House To House Drive Monday

Monday will start the house-to-house campaign in the cities and townships of Delta County for the Delta United Services.

Workers will be visiting every home in Delta County that does not have a 1966 "We Gave" DUS sticker on the door in order to give residents who didn't have an opportunity to contribute at their place of employment a chance to participate.

DUS is supporting 11 agencies — Bay Cliff Health Camp, Boy Scouts, Camp Fire Girls, Escanaba Area Child Guidance Clinic, Delta Family

Services, Girl Scouts, Retarded Children's School, Red Cross Blood Bank, Salvation Army, Michigan Children's Aid Society and USO.

Families which already contributed to the campaign, are asked to put up their sticker. It will make it easier for the workers to cover their territories and help complete the campaign quicker.

This year a new method of contribution is open to the people contacted in the house-to-house coverage. They will be able to pledge their fair share just like the people that are contacted at their work. Quarterly pledges can be made with reminders sent to donors by DUS.

Michigan Takes 130 Year Ohio Fight To Court

LANSING (AP) — Atty. Gen. Frank Kelley has filed suit against the State of Ohio in the U. S. Supreme Court to recover a triangular, 200-square-mile piece of Lake Erie—subject of a 130-year dispute.

The suit, in response to a resolution sponsored by Rep. Raymond Keheers of Monroe and passed by both houses of the Michigan Legislature, asks the Supreme Court to confirm the jurisdiction and sovereignty of Michigan over the disputed area.

Involved are both water and lake bottom rights which could affect commercial fishing operations. Geologists claim the lake bottom is the site of valuable deposits of gas and oil.

Michigan claims the boundary in the lake should continue east in a straight line until it meets the international boundary between the United States and Canada.

Ohio claims the boundary should extend northeast to the international boundary, giving Ohio an additional triangular-shaped area.

The dispute is not directly related to the question of Michigan's Lost Peninsula—a stranded square-mile section of Michigan left after the so-called "Toledo War" of 1835.

The Lost Peninsula juts north from the city limits of Toledo, Ohio, into Lake Erie. Travelers wishing to travel between it and the rest of Michigan must pass through Ohio.

November Auto Sales Slip 16%

DETROIT (AP) — New car sales in mid-November fell 16 per cent off the record pace a year ago, the nation's automotive industry reported here.

General Motors, Ford Chrysler and American Motors all reported fewer sales in the Nov. 11-20 period this year than in the comparable time span of 1965.

The decline followed a 5.6 per cent lag in sales, as reported by the industry in the first ten selling days this month, compared with the Nov. 1-10 period last year.

Bobby Kennedy Popularity High

WASHINGTON (AP) — Three years after the assassination of his presidential brother, Sen. Robert F. Kennedy is riding an uncertain crest of political popularity.

Since the Dallas tragedy, the New York senator has carved out for himself an ambivalent political position in which he stands both with and against President Johnson.

That this is leading him toward an eventual bid for the presidency few are willing to deny. But the timing and circumstances for any such bid apparently remain uncertain quantities to the senator himself.

Kennedy is on record as saying he expects to support Johnson for re-election in 1968, that he will not seek the vice-presidential job now held by Hubert H. Humphrey and that he expects to bid for re-election to the Senate in 1970.

Taken at face value, this leaves only one obscure alternative for entry into the lists before 1972 — the bare possibility that President Johnson might not seek re-election two years from now. The Kennedys, it might be noted, overlook few possibilities.

Norvell Admits Shot At Meredith, To Serve 2 Years

HERNANDO, Miss. (AP) — Aubrey James Norvell is scheduled to surrender to authorities here Dec. 2 to begin serving a penitentiary term for the ambush shooting of civil rights leader James H. Meredith last June.

The former hardware salesman from Memphis was sentenced to five years, with three years suspended, after entering a surprise plea of guilty here to a charge of assault and battery with intent to kill. He is free under \$25,000 bond.

Norvell, 40, was arrested June 6, minutes after Meredith, the man who integrated the University of Mississippi amid bloodshed in 1962, was peppered with birdshot on the second day of his "march against fear" in Mississippi.

Meredith was not seriously injured. Later he joined a massive civil rights march touched off by the shooting.

ROBERT J. McIntosh, has resigned as director of the Michigan State Department of Commerce to head up the campaign in Washington for the nomination of Gov. George Romney as President in the 1968 Republican convention. McIntosh is a former congressman and former legislative aide to Romney.

Hospital Group Urges License

LANSING (AP) — The Michigan Hospital Association told a special interim House committee here that it favors general licensing of Michigan's hospitals.

The five-member committee, headed by Rep. James Karoub, D-Highland Park, opened an investigation into hospital billing, accounting and operational practices and policies concerning insurance.

Allan Barth, executive director of the hospital association, told the committee his organization feels "Michigan's fragmented (patchwork) hospital licensing mechanism should be replaced."

"Anyone wishing to operate a hospital without being governed by state health laws may do so if the hospital does not take maternity patients, T. B. patients or welfare patients," Barth said.

"Under Michigan law the only type of hospital that needs a license is one where babies are born," he said.

A bill requiring the licensing of hospitals, sponsored by Rep. William Fitzgerald, D-Detroit, a committee member, passed the House April 20 and now is in the Senate Committee on Health and Welfare.

A date for the committee's next meeting was not set.

Other members of the committee are Reps. Raymond Kehres, D-Monroe; Edward Suski, D-Flint; and Peter Kok, R-Grand Rapids.

Wagon Ride Fatal

CLARE (AP) — A wagon ride here ended in death when Joseph Allen Akers, 5, who was being pulled in the wagon by his brother, was struck by a car and killed.

Speaker

HOUGHTON — Speaker Ralph J. Jalkanen, president of Suomi College, Hancock, will deliver the address at Michigan Tech's fall quarter commencement exercise Dec. 17.

In The Upper Peninsula

Nurses Study Bargaining

Does a professional group (registered nurses, for instance) really have a need to organize for collective bargaining?

This and other questions involving economic security for nurses were explored at a luncheon meeting at Marquette Monday by Miss Rosemary T. Hanamey, R. N., Lansing, assistant executive secretary of the Michigan Nurses Association.

Speaking at Northern Michigan University before a group of nurses from throughout the Upper Peninsula, Miss Hanamey sketched the recent history of efforts to improve the economic lot of nurses.

The American Nurses Association adopted an economic security program in 1946, she said, and the Michigan Nurses Association subscribed to this program in 1960. Shortly thereafter a change of direction in the Michigan group's program occurred with enactment of the public employees act setting up the right to organize.

Wages Secured

In the Upper Peninsula, staff nurses of the Dickinson County Memorial Hospital have elected to have the MNA represent them. A group of Detroit nurses voted overwhelmingly (280 to 11) to be represented by the MNA. Miss Hanamey said the MNA soon will sign a contract with Highland Park General Hospital.

The ANA has set a minimum salary for registered nurses at \$6,500. The MNA last October adopted \$6,600 as the minimum salary for staff nurses.

"Salaries are a high need, but not the top need," said Miss Hanamey. She called attention to a study in which registered nurses were asked to rank the most important factors of their jobs in terms of morale. They listed, in order of importance, (1) good working conditions, (2) work that kept them interested and (3) good wages. A similar study in which about 800 practical nurses were questioned showed that good working conditions ranked first and good wages second.

Union Influence

"In certain institutions where a union has come in," Miss Hanamey said, "some administrations have urged that nurses be included in the bargaining unit even though the nurses didn't request this."

On the other hand, she said, "Some administrations have maintained that all registered nurses are supervisors and therefore not entitled to be represented."

The ANA adopted a "no strike" policy for registered nurses in 1946, voluntarily relinquishing the right to strike. Although nurses in California and Pennsylvania this year voted to rescind this policy, Miss Hanamey said, the MNA has so far not indicated any change in its no strike policy.

"We have a very comprehensive act in Michigan which provides for many means of settling labor differences," she said.

In answer to a question from the audience regarding nurses crossing picket lines at hospitals, Miss Hanamey said the ANA has a policy of neutrality in this regard. Thus, if practical nurses set up picket lines, for instance, the ANA policy calls for registered nurses to continue their regular duties but not to assume the duties of those on strike.

More people get more news from newspapers than from all other sources combined.

LBJ Discusses Budget Today

AUSTIN, Tex. (AP) — President Johnson meets today with budget director Charles L. Schultze and Robert C. Weaver, secretary of the Department of Housing and Urban Affairs, to discuss the federal budget.

Johnson spent a quiet Thanksgiving with his family at the LBJ Ranch.

Deputy press secretary Robert H. Fleming reported that Johnson told him by phone that "he is feeling well." The President had throat and abdominal operations Nov. 16.

Many Things To Be Thankful For

By HAL BOYLE

NEW YORK (AP) — Things to be thankful for in an anxious time:

The happy sounds of childhood echoing from another room. Oyster dressing and pumpkin pie. The brown and steaming turkey. The sweet sad thoughts for ones no longer at the table.

All remembrances of April. Belts that buckle and people who don't. The excited barking of frolicking dogs. The rush of impatient feet on the pavement hurrying to the harbor of waiting arms. The sunrise, after asking for someone missing, and finding that that someone is there after all.

Winter Night Stars
The opening of all doors that lead to joy. The unpeeling splendor of the stars in the cold glory of a winter night, glittering like peepholes into heaven. The feel of oak bark and the prickling thrill of a pine cone gripped in the hand.

All the thronging odors of nature in a time-warmed land. The lapping of endless waters. The kindling happiness of sharing a loved one's bag. Standing alone at night on a frozen hill,

listening to the snap of unseen icicles.

The groaning ecstasy of trees tormented by capricious winds. The colorful comparison of autumn and the fruitful thoughts that lie in fallen leaves — a carpet of crisp. All letters of the English alphabet except X. The solidity of massive buildings dated with the simple grandeur of Roman numerals.

Crossing Bridges

Walking across a bridge toward something unknown on the other side. The unctuous pert of whipped cream, forbidden calories in froth. The purring of pleased cats, and the marching trot of any music by Mozart.

Finding the right letter in the wrong office file. Tapping a foot to the tune piped in from lord-knows-where in the office elevator. Saying a glad goodbye to someone you'll be glad to say hello to real soon again. The confidence of expectation. Watching a high-up window cleaner massage the portholes of a skyscraper, one man against a concrete mass.

Seeing sunlight break out on a small boy's face after a torrent of sobs. The healing of all hurts, large or small. The staccato thrum of banjo strings, merry as silver moonbeams. Opening a telegram and finding the news is good.

Vanilla Ice Cream

Coming out of a hospital by the same door wherein you went. The pawing of each other by scuffling zoo bears at play. Letting teen-age children think they can really outrun you up lanes that lead to home. The plain elegance of vanilla ice cream, and one freckle on a snub nose. The completeness of the Statue of Liberty, a nation's moving creed in moveless metal. The cherishing of simple delights that bear no price tag.

A wife's face by candlelight. Calming with a cup of water a sleepy child's terror of the dark. Counting the green explosions of a budding bough outside the window in spring. The white thrill of responding sails. The resonance of man's best hopes and dreams.

All causes worth sacrifice. The mystery of the power that throbs the universe through every twilight and the majesty of every new-born morning.

For all this and more, thanks.

Briefly Told

Knight of Columbus members will meet at 7:30 p. m. Friday at the Skradaki Funeral Home in Gladstone to recite the rosary for J. J. Gnat.

A car driven by Elmer Linde, Rte. 1, Rock, struck a deer on a county road in Ewing Township, Marquette County, about 2 a. m. Thursday, State Police report.

The Upper Peninsula Chapter of the Michigan Archaeological Society will meet at the Peter White Library, Marquette, at 2 p. m. Saturday, Dec. 3.

The Foremenaders Square Dance Club will hold a dance Saturday night, November 26, at 8:30 p. m. at the Eagles Hall. Live caller and tapes will be provided.

Bay de Noc Toastmaster's Club will meet at 6:30 p. m. Monday at Marco's Restaurant. Speakers will be Richard Powell, Sherwood Trotter and Harland Lippold. Master evaluator will be Walter Peterson.

Escanaba area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps placement test at 3 p. m. on Monday, Dec. 5, at Escanaba Federal Building, Room 208.

ONE THOUSAND CORDS of aspen and 180 cords of balsam pulpwood were produced under state forest timber cutting permits on the Bay de Noc Forest by Clayton Kanerva of Rock. This wood is pictured in process of movement to Kimberly Clark Corp's mill at Niagara and Kimberly, Wis. The complete cutting of aspen assures abundant sprouting and regeneration of the forest stand with these fast-growing trees. It also provides abundant food for deer. The picture was made of wood loading in an area west of Rock.

23 Mile Long Train

State Forests Boost Sales Of Wood

Timber harvested on the Escanaba District of the Michigan Conservation Department's state forests this fiscal year increased 12.7 per cent in volume over the previous year, reports Wesley Lehmann, supervisor of the district forests.

Total volume of wood cut in the 1965-66 fiscal year ending in June was 46,667 cords compared with 44,044 cords in the previous year.

Money income from the wood sales was also up, with \$177,253 received in the past year compared with \$152,642 the previous year.

Lehmann said that improved wood market conditions made possible the increased harvest. The increase in prices paid to producers undoubtedly stimulated the production increase, he said.

Increased volumes of timber were offered for sale by the foresters of the five forests in the district. They are the Michigan River Forest, administered by Gerald Rose; the Escanaba River Forest administered by Arne Metas; the Bay de Noc Forest, administered by Clarence Limpert; the Manistique River Forest, administered by Wilfred Wallace; and the Menominee State Forest administered by Wallace Gunderson.

Public comprehension of the large volume of the wood produced in a year by the state forests in this district may be difficult, said Lehmann, but it would make a train 23½ miles long.

Lehmann said that pulping woods compose the big part of the wood harvest in the state's young forests. He said that the

FROM LEFT, Regional State Forester Ernest C. Hall of Marquette, Malcolm Thompson, a logger, and Area Forester Clarence Limpert of the Bay de Noc Forest, confer on the cutting of state lands in Sections 13 and 24, T44N, R21W. Thompson harvested 54,300 board feet of sawlogs in the operation, most of which went to the Ingalls sawmill at Skandia. In addition 337 tons of hardwood were shipped to the Cliffs Dow Co. plant at Marquette for chemical wood. (Wesley Lehman Photos for Michigan Conservation Department.)

sawtimber content of the harvest is increasing, but that the total volume is, too, so that the sawtimber proportion is probably not changed much.

Receipts from the sale of state timber across the Upper Peninsula in October amounted to \$73,408.

The Baraga Forestry District, composed of both the Baraga and Crystal Falls Department Districts, received \$27,205; the Escanaba Forestry District \$30,331; and the Newberry Forestry District \$15,971. In addition \$4,544.36 was received for the issuance of mineral permits in the Baraga District.

Foresters reported that 505 active timber cutting permits were in operation in the Upper Peninsula in October, 86 of which were issued in that month.

Application for approximately 25,000 acres of land have been received for listing under the Commercial Forest Reserve Act, 13,000 acres in the Baraga District and 12,000 acres in the Escanaba District.

The demand for forest products continues very good, foresters said.

With The Deer Hunters

Bob Feller, 16, of 1615 3rd Ave. S., shot a 6 point, 150 pound buck Thanksgiving day while hunting in the Watson area. He is a student at Escanaba Area high school.

Holiday Traffic Toll Total: 232

By The Associated Press

The nation's death toll in traffic accidents edged toward the 350 mark today in the early part of the extended Thanksgiving weekend. But the total appeared near the normal figure for a nonholiday weekend.

The count of highway fatalities, which started at 6 p. m. local time Wednesday, was 232 including 50 youths under the age of 18.

The tabulation ends at midnight Sunday, covering a period of 102 hours.

During a recent nonholiday four-day period, an Associated Press survey, made for comparative purposes, showed a total of 546 traffic deaths.

However, the National Safety Council did not make an advance estimate of highway deaths for the long weekend.

12 IN MICHIGAN

Three persons died in a two-car, head-on collision Thursday on M32 in Alpena County as the Thanksgiving holiday weekend traffic death toll climbed to 12 in Michigan.

Campground Loss To Vandals \$450

Michigan taxpayers receive another jolt as vandals left their mark at the Big Lake State Campground 15 miles south of Baraga on Halloween. State Foresters reported three picnic tables smashed, with concrete blocks torn from the campground fireplaces. Several other tables were thrown into the lake. All signs and bulletin boards were destroyed. Oddly, the toilets remained upright. Replacement and labor costs for repairs was estimated at \$450. State Police from the L'Anse Post are investigating.

Clark Expands

DOWAGIAC (AP)—A 22,000 square foot graphic arts center will be built here by the Clark Equipment Co.

Company officials said initially 24 persons would be employed. J. B. Hennion, advertising and promotion director of Clark's Tyler Refrigerator Division, will be manager of the plant.

Dairy Farming Skids In State

We know that many farmers quit the dairy business in the past few years. Why did 25 per cent quit?

A survey among farmers brought in 600 answers from all over the state. The key reason stated was a combination of "high investment, low returns, long hours, low prices." About 20 per cent tied it to age and health while another 15 per cent blamed lack of hired labor.

The survey also showed that this quitting the dairy business didn't happen without serious thought. In about 60 per cent of cases the farmer had first tried cutting costs before giving up.

The study also showed that a high percentage of the farmers who quit milking cows had been in the business for 25 to 30 years. They were tired of the seven-day-week routine when they looked at their returns for their investment.

A slight increase in milk prices now may help some to stay in the business but many dairymen would like a shorter work week and a little vacation now and then. The dairy industry is in for more changes.

As we look down the road we can see dairy farms operated more like factories and on a larger scale.

More Splake Eggs From Ontario

Approximately 20,000 eyed splake eggs, taken from selective splake brood stock, will be flown to Michigan by Ontario Lands and Forests Department, Maple, Ontario, on Dec. 1, according to the Michigan Department of Conservation, Marquette. The eggs will be sent on to the Thompson Hatchery and when hatched the splake will be added to the 7,000 selective splake fry received from Ontario Department of Lands and Forests in June. The splake is a cross between a brook (speckled) trout and a lake trout. The composite name takes its "sp" from speckled and "lake" from the lake trout.

Yalta is a Crimean resort town.

Two Injured In Car Crashes

Two persons were injured, neither seriously, in traffic accidents in Escanaba on Thursday, it is reported by Escanaba police.

Shirley Kobasic, 16, of 1412 Sheridan Road, passenger in a car driven by Barbara Kobasic of the same address, was slightly hurt in a traffic mishap at 2nd Ave. N. and 15th St. at 12:25 p. m.

The other car was driven by Nancy Ann LaPine of 1201 Minneapolis Ave., Gladstone, who received a traffic court summons for failing to yield the right of way.

The other accident occurred at Ludington St. and U.S. 2-41 at 7:08 p. m. Thursday, police reported. The cars were driven by Donald C. Nelson, 42, of Norway, who was slightly hurt, and Dennis J. Allingham, 605 S. 14th St.

Escanaba police over the Thanksgiving holiday issued traffic court summonses to: George G. Gill, 1401 N. 16th St., failing to stop in the assured clear distance; James A. Buckley, 1412 2nd Ave. N., improper backing; Rodger N. Miller, Wilson, improper passing; and Richard Cayer, Rapid River Rte. 1, no operator's license on person.

Demolition Grant

WASHINGTON (AP)—Ferdale, Mich., has been granted \$24,240 by the Department of Housing and Urban Development. The money is to help finance demolition of 40 abandoned and unsound buildings, the agency said Wednesday.

Trinity Church Receives 31 New Members

STONINGTON—Trinity Lutheran Church, Stonington, received 18 adult members into the congregation on Sunday, Nov. 20 and 13 children for a total of 31 baptized members. A church membership class had been conducted by the pastor for the previous six weeks. The order for reception of members was held during the worship service.

On the altar were placed two bouquets of red carnations and each new member was presented one at the close of the service. Following the service a pot-luck dinner was served by the Ladies Aid for all in attendance. Over 100 people attended this festive service.

Those becoming a part of the congregation were: Mr. and Mrs. James Muffler, James, Fran, Jon, Diane, Patrick and Kimberly, Mrs. Otto Reinholdson, Mr. and Mrs. Richard Wilson, Shirley, James, Jerome, Jesse, Joseph, Sharon and Susan, Mr. and Mrs. William Beaudry, Rosemary, Heather, Robbyn, Mr. and Mrs. Robert Leadman and Terry, Mr. and Mrs. Paul Smith, Christopher and Allison, and Mrs. Ruth Brandt.

Bay de Noc CYF Sponsors Film

The Bay de Noc Christian Youth Fellowship is showing the film, "Fast, Warm Nowhere," at the James T. Jones School in Gladstone, on Saturday, Nov. 26 at 7:30 p. m. Filmed in an upper class mid-western setting, it takes a bold look into the life and times of today's teens. This is a film which maintains a high level of interest throughout, for both teen-agers and parents. The public is most cordially invited to see this film. A free will offering will be received.

Ever add pineapple tidbits to Harvard beets? Interesting combination!

THE ESCANABA Newcomer's Club annual holiday dinner dance, "A Mid-winter's Night Dream," will be held at the Terrace on Saturday, Dec. 3. Committee chairmen for the affair are from left, Mrs. Roger Olson, tickets: Mrs. James VanHorn, decorations and Mrs. Charles Wazzall, publicity. Tickets are available at Gust Asp's, Gartner's and the West End Drug Store. (Daily Press Photo)

Curtis

Mrs. Jack Hartwick was hostess to the Curtis Quilters Club Tuesday, at her home. Clayton Painter of Dearborn spent a week at this cottage here.

George Gish and a friend visited a few days at the home of his mother, Mrs. Grace Grant and also did some hunting. Mrs. Grant returned with her son to his home at Farmington for a visit.

Mr. and Mrs. Ursin Goodman have left for Florida to spend the winter.

Mr. and Mrs. Thomas Walker closed their restaurant Saturday and will leave for Kalamazoo for the winter.

Miss Pat Graves and Rita took Mr. and Mrs. Al Graves to Detroit where Mr. Graves will enter the Henry Ford Hospital.

Mr. and Mrs. Frank B. Lowery and Mr. and Mrs. Duane Strouse and family of Belding spent a few days here visiting Mr. and Mrs. Ted Lowery and other relatives and friends here.

Mr. and Mrs. Jack Hartwick and family visited his aunt, Mrs. Glen Hatchat of Trout Lake, Sunday. Mr. Hatchat is a patient at Little Traverse Hospital at Petoskey. Delmer Humphrey Jr. and a friend of Grand Lodge, Mich. spent the weekend here at the home of his parents Mr. and Mrs. Delmer Humphrey Sr.

Students Snatch Actress On Stage In Charity Stunt

LONDON (AP) — A burly youth barged on to the stage of London's Phoenix Theater during final curtain calls recently threw actress Juliet Mills over his shoulder and exited with his pretty burden kicking and struggling.

The audience half filling the 2,338-seat house gasped. The theater manager called the police. Wearing an Edwardian gown and elaborate blonde wig for the leading role in Oscar Wilde's comedy "Lady Windermere's Fan," Miss Mills was carried to a waiting car and driven away.

Detectives found the 26-year-old actress, daughter of movie star John Mills, drinking in a pub with her kidnappers. They said they were students trying to raise money for charity.

Miss Mills' husband, American songwriter Russell Alsop, arrived with a ransom of \$28. A police spokesman said: "We will take no action unless a formal complaint is made by Miss Mills."

Winners Are Announced In Wool Contest

Miss Sandra Schwiderson of Brimley in Chippewa County and Miss Cheryl LaMothe of Hubbell in Houghton County were named the Junior and Senior winners in the 1966 Make-It-Yourself With Wool Contest held at Northern Michigan University at Marquette on Saturday.

First and second alternates in the Junior Division (ages 14-16) were Miss Roberta Best and Miss Susan Burkman, both of Chassell. Senior alternates were Miss Jean Marie Anderson of Trout Creek and Miss Peggy Hodoobas of Stephenson. In the Sub-Deb division, Miss Joanne Niemela of Rock was first, and Miss Connie Neece of Carney was second.

The Junior and Senior winners will compete in the state finals in Lansing on Saturday, Dec. 10, where one girl will be selected to represent Michigan in the national finals at Las Vegas in January.

Judges were Mrs. Jenny Berg, Mrs. Chester Good, Miss Ingrid Tervonen, Miss Suzanne Wendt, Mrs. Delmar Gay and Mrs. Olive Sain.

in the national finals at Las Vegas in January.

Judges were Mrs. Jenny Berg, Mrs. Chester Good, Miss Ingrid Tervonen, Miss Suzanne Wendt, Mrs. Delmar Gay and Mrs. Olive Sain.

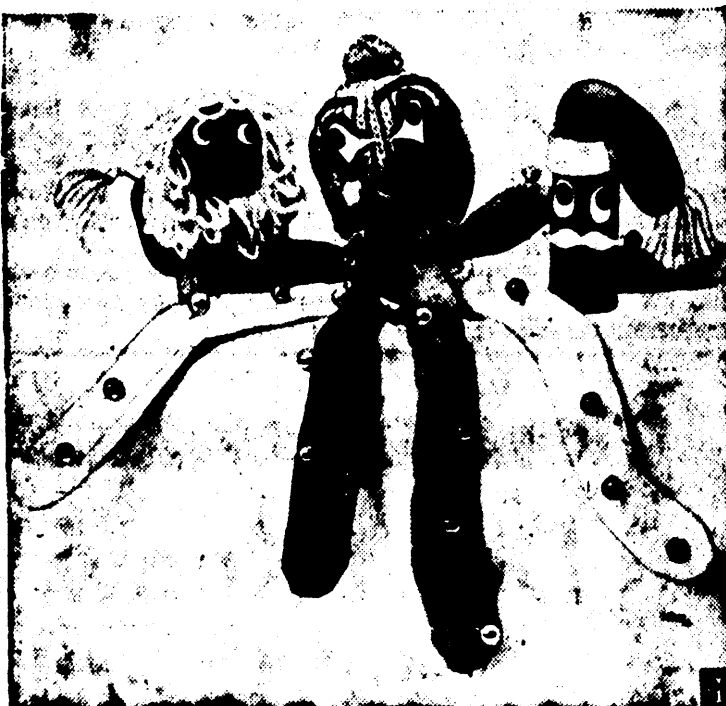

Elks Auxiliary Meets Thursday

The Elks Auxiliary will meet Thursday, Dec. 1 in the clubrooms. Dinner will be served at 7 p. m. followed by the business meeting and cards.

The committee for the evening includes Mrs. Grover Lewis, chairman assisted by Mrs. Roger Moras, Mrs. Ralph Sarnowski, Mrs. Harold Meiers and Mrs. Ernest Desilets. Reservations are to be in by Wednesday, Nov. 30 and may be made by calling the club 786-2294 or Mrs. Lewis, 786-1860.

Thump a yeast loaf on top when you are testing to see whether it is done. No need to turn the loaf out of the pan for this test!

SOCK-CESSFUL GIFTS

In this year of knee sock popularity, one or more pair will be a welcome gift, particularly when they are disguised as adorable mascots, bearing still another pleasing item. A "Cowardly Lion" is a pair of lion-colored knee socks of acrylic fiber which give him his cuddly look and feel. His body is a box of dusting powder; his head, a round comb, a jewelry box or even an extra pair of socks or mittens—all gifts to delight teens. Younger girls will be enchanted with Octavia the Octopus. He is a lavish gift, indeed, since he's made of four pairs of colorful knee socks, and his head is one of those warm lightweight knit caps. The third member of the trio is a pair of rich red socks made into a Santa Claus with the help of a can of hair spray.

Miss Dahlke Is Bride Saturday

Miss Diane Helen Dahlke, daughter of Mr. and Mrs. Norman Dahlke of Rte. 1, Escanaba will become the bride of Dennis A. Tushak, son of Mr. and Mrs. Kenneth Tushak of 400 S. 8th St., Escanaba during a ceremony to be performed at 10:30 a. m. tomorrow at St. Joseph's Church in Escanaba. The rehearsal dinner is being given this evening at the Sherman Hotel by Mr. and Mrs. Tushak.

Nahma

Mr. and Mrs. Gerald Bennett and sons of Sault Ste. Marie spent the weekend at the home of his sister and brother-in-law, Mr. and Mrs. Fred Popour.

Mr. and Mrs. David Gereau arrived Tuesday from San Francisco where Mr. Gereau received his discharge from the U. S. Navy. They are visiting at the home of his parents, Mr. and Mrs. Rudie Gereau.

Mr. and Mrs. John Hebert of Anderson, Ind. arrived Saturday to spend a week's vacation in the Nahma area.

Mr. and Mrs. Richard Marchard and children and Mrs. Grace Marchard of Manistique spent Sunday at the home of Mrs. Clara Ritter and Mr. and Mrs. William Hominger.

Mr. and Mrs. James Popour and sons of Sault Ste. Marie spent the weekend at the home of Mr. and Mrs. Kenneth Ritter while hunting in the area.

St. Cabrini Circle met Tuesday evening at the home of Mrs. James Krutins. Games awards were presented to Mrs. Homer Beauchamp, Mrs. Clara Ritter, Mrs. Irene LeBasseur and Mrs. Margaret Olmsted. Lunch was served by the hostess.

Mr. and Mrs. William French and children of Anderson, Ind. are spending a week's vacation visiting friends and relatives in the area.

Cornell

Home Study Group Chairman, Mrs. Robert Thompson, presided at the regular monthly meeting of the Cornell Home Study Group on Tuesday evening. The group made plans for their Christmas party to be held on Dec. 28, at the Morton Scheuren home. Each member will bring a gift to exchange.

The Holiday Tea to be held at Bethany Lutheran church in Escanaba on Tuesday, Nov. 29 was also discussed. Mrs. Morton Scheuren will be in charge of the group's Christmas display at the tea. Each member will also donate a pair of mittens to be given to needy children at a later date. The Cornell group will be responsible for making the coffee at the tea. Mrs. Howard Scheuren reported on the meeting at the County Bldg. Mrs. Alfred Dahl gave an interesting lesson on "Making the Most of Your Meal Money," and "Meats."

A social hour followed with lunch being served by hostesses Mrs. Wilfred Mattson and Mrs. Hjalmar Olson.

Junior Leaders The junior leaders of Cornell Tots and Teens 4-H club are to meet at the town hall on Monday, Dec. 5 at 7:30 to make plans for the Christmas party.

Mr. and Mrs. Carl Frans went to Spring Lake, Mich., where they will spend the Thanksgiving holidays with Mr. and Mrs. Harold Frans and family.

Children of the Cornell School enjoyed a trip to the Historical Museum in Escanaba recently. They were accompanied by the three teachers, Mrs. Laviolette, Mr. Thompson, and Mrs. Lindberg. Mr. Clay Ford drove the bus for the group.

Classified Ads Cost Little
But Do A Big Job

AN OPEN HOUSE was held in honor of Father Walter Franczek on Sunday, Nov. 20 at the St. Francis Xavier parish hall in Spalding from 7 to 9 p. m. Rev. Franczek is leaving St. Francis Xavier parish this week and has been assigned to St. Adalberts parish in Menominee. Refreshments were served by the St. Ann Altar Society.

Church Events

Central Methodist The WSCS is sponsoring their annual auction Saturday at 7:30 p. m. with Felix Johnson as auctioneer. The public is cordially invited to attend and refreshments will be served. Braided and woven rugs will be featured.

Germfask

Births A former resident and his wife, Mr. and Mrs. Arnold Burns of Manistique are parents of a daughter, Lisa Jane born Nov. 11, weighing 7 pounds and 7 ounces. Mrs. Burns is the former Janice McLeer. Grandparents of the baby are Mr. and Mrs. Ling Burns of Germfask and Mr. and Mrs. Alden McLeer of Manistique.

Mr. and Mrs. Harry L. Burton of Germfask are parents of a son, Robert Lee, weighing 8 pounds, 8 ounces. Mrs. Burton is the former Carolyn Jean Metcalf. Grandparents of the baby are Mr. and Mrs. Robert Metcalf and Mr. and Mrs. G. Telford Burton of Germfask.

Mrs. Valeria Rupright and Mr. and Mrs. Arthur Losey of Flint are spending a few days here visiting.

Ernest Bowler and daughter Lynn Marie of Milan are visiting at the Leo Tovey home and doing some hunting.

Mr. and Mrs. Homer Rutherford of North Branch are spending a few days at their cabin here and doing some hunting.

Mr. and Mrs. Jesse Nitt of Romulus are spending a few days here visiting and doing some hunting.

Mr. and Mrs. Edward Swisher of Ann Arbor returned to their home after a short visit at the home of his brother, George Swisher and family. They also visited other relatives here and did some hunting.

Mr. and Mrs. Earl Smith and Mr. and Mrs. Harry Heatley of Lapeer are spending a few days here hunting and visiting. Oral Lawrence Sr., returned to his home here Friday from the Helen Joy Newberry Hospital at Newberry.

David Hall, a former resident of Gladwin, who has been spending a few days visiting at the home of Mr. and Mrs. Lester Ackley and family shot a 10-point buck Saturday.

Mr. and Mrs. Thurman Skarritt Sr., left for Utica, Mich., where they will visit their daughter and family and Mrs. James Sadler. Mr. Sadler will enter a hospital there for surgery very soon.

Mr. and Mrs. Clayton Livernois and family are moving to Escanaba where he will be employed.

James Snyder returned to Alma after visiting at the home of his parents, Mr. and Mrs. Charles Snyder and doing some hunting.

Edgar Smith of Curtis and his brother George Smith of Trenton, Mich., visited their mother at the home of Mr. and Mrs. Emmett Crown.

Mrs. Martha Musselman returned to her home here from Soap Lake, Wash., where she visited her son Max and family and friends there.

Joseph Crown returned to his home at Metamora, Mich., after spending a week here at the home of his father, Emmett Crown and family.

Mrs. Laura Diller and Mrs. Ervin Diller, Rosalie Troy and Lauri, visited Mable Stauffer and Jennie Crown Sunday.

Hospital

Admitted to Schoolcraft Memorial Hospital were William Bauers, Evelyn Patzer, Leona Terry, Thelma Duncan, Christine Tobin, Aaron Ziegler and Pamela Scott.

Discharged were Irene Hinkson, Edward Guertin, Sally Brock, Kathy Beaudin, Raymond Potvin.

Births

A daughter weighing 8 lbs. 2 1/2 oz. was born Nov. 22, in Schoolcraft Memorial Hospital to Mr. and Mrs. Allen F. Demers, 306 N. 5th. The mother is the former Joyce Marie Longtine.

Manistique News

School Board Okays Change; Sets Salaries

The Manistique Board of Education in special meeting Tuesday night approved changes which will send Mueller kindergarten and 4, 5 and 6-grade students to the Doyle school and Doyle grades 1, 2 and 3 to Mueller.

The change is scheduled in the consolidated district Dec. 5 to eliminate all multiple grades but two, and provide classes not greater than 35, and with not more than two grades per room.

In executive session the board set the salary of the superintendent at \$13,000, the high school principal at \$10,500, the community school director at \$4,650 plus \$300 for six months athletic direction, \$4,900 for the head janitor plus insurance benefits and \$8,700 for the business manager. The raises total under \$2,700, it was reported.

Substitute teacher pay was set at \$23 per day. The board set salary of \$9,300 for Evelyn Berwin, whose duties have been extended to include elementary school supervision.

Further consideration is scheduled for cooks in the system. Central school cooks will be included then.

The resignation of Rev. Kenneth Connor as vocal music director was accepted.

The school has been approved by the Department of Education for a cooperative elementary-secondary education act project with Bay de Noc school district for \$76,984. The program will involve 275 students in basic skills work in grades K-8, with 26 non-teaching aids assisting.

Zion Lutheran Advent Prayer Service Planned

The annual Advent prayer service will be held Sunday at 7:30 p. m. under sponsorship of the LCW in Zion Lutheran Church. The education committee is in charge of the service. The theme will be "The Jesse Tree." Church school students will participate, and the Junior Choir, directed by Mrs. Edward Matheson. Charity group will serve refreshments.

Holiday Tea For Extension Women Set

A holiday tea with program is scheduled Nov. 29 in Fairview school for Extension homemakers, their guests and friends. Christmas gift and decorating ideas will be displayed. The program theme will be "Christmas in Germany."

Briefly Told

All persons whose names were on ballots for the Nov. 8 election must file election expense accounts with the county clerk's office by Nov. 28, the clerk reports.

Pamela Scott, 8, was taken by ambulance to Schoolcraft Memorial Hospital Tuesday following an accident at 8:59 p. m. A car driven by her mother, Mrs. Betty Scott, 219 Walnut, hit a parked car owned by Ernest Kralik, on Deer St. Public Safety officers reported. The child had lacerations about the mouth. Mrs. Scott was given a summons for failure to have vehicle under control.

The bear stolen from William Ansell while it was on a parked car in Cooks was returned to the Ansell home in Garden, State Police report. The bear was returned at 6 p. m., Tuesday.

Two hunters reported lost returned safely from the woods Tuesday night. Frank Megna, 42, of Watervliet, followed sound of the State Police penetrator to come out of Sec. 12, T48, R16 in Hiawatha Township and Gerald Wietnicki, 35, of Munster, Ind., walked out of Sec. 34, T44, R19 in Germfask township near the north Blaney line. Both were out about two hours after they were reported lost.

State Police ticketed William D. Stapleton, Novi, speeding and Peter J. Ellison, Mount Pleasant, driving too fast for conditions.

Obituary

ORVILLE KLAGSTAD Funeral services were conducted at 2 p. m. Monday in Kestner & Jackson Funeral Home for Orville Klagstad, 63, who died Friday. The Rev. William Farnham officiated. Burial was in Fairview cemetery. Pallbearers were Hjalmar Mattson, Anthony Klarich, John Letosky, Matthew Weber, Clifford Christensen and Harry Swartzman.

Gladstone News

Advent Prayer Day Is Sunday

The Advent Prayer Day Family Service, a spiritual preparation for Christmas, will be held Sunday at 7:30 p. m. at First Lutheran Church. Members of the congregation and the junior choir will participate in the program of song and meditations.

Mrs. Carl Westerback, Kristan Nelson, Todd Strom, Mrs. Norman Butler, and Dr. B. H. Skellenger will present the meditations and special music will be provided by Mrs. Ellis Movalson.

All members of the community are invited to this service and refreshments will be served in Fellowship Hall following the service with Mrs. Jack Johnson, Mrs. Joseph Thibault, Mrs. Harold Bergman and Mrs. John Vogt as hostesses.

Mott Foundation

Central PTA was privileged to view the film, "To Keep A Child," Monday evening following the annual Open House. The film, a product of the Mott Foundation, was produced in Flint, Mich. Mr. Mott, an industrialist and educational benefactor was moved to begin a program of adult and child education in the schools the year around following the realization that summer brought empty school rooms and no place for children to play. Mrs. Carl Olson, PTA president, shared her own experiences on this as she visited the schools last month.

The nominating committee was appointed and consists of Mrs. Robert Richards, Mrs. James Makens, and Mrs. Art Erickson. It was reported there were 143 members enrolled in PTA. Room count winners were Mrs. Fischer's second grade, and a tie between Mrs. Beauchamp's first grade and Miss Trudgeon's third grade.

Christmas vacation begins December 19th and will continue until January 3rd. The next PTA meeting will be held January 16th.

Briefly Told

Mike Gobert, son of Mr. and Mrs. Francis Gobert, was initiated into the National Fraternity, Sigma Tau Gamma, Saturday evening. Mike is a sophomore at Northland College in Ashland, Wis. and is a former Gladstone High School athlete.

Seeks Divorces From Two Wives

MIAMI, Fla. (AP) — Henry DeLaughter simultaneously filed divorce suits against Mary Hall DeLaughter of Madison, Fla., and Ethel Cooper DeLaughter of Hollywood.

The suit against Mary Hall DeLaughter charged her with desertion. It alleged she refused to accompany him to Miami in 1944 after marrying him in 1939.

The second suit said he and Ethel separated in 1952 after he learned his attorney had failed to follow through and no final decree was recorded for his first marriage.

BLOUSES BOW IN for holiday wear with both skirts and pants suits. The dandy look of the many-ruffled shirt (left) has nylon lace cascade at the neck, down the front and at the sleeve edge. Sleeveless overblouse (right) looks great with either skirts or pants. Roll mock turtle collar falls into soft gathers. Both are in a crepon fabric of easy-to-wash, drip-dry dacron polyester.

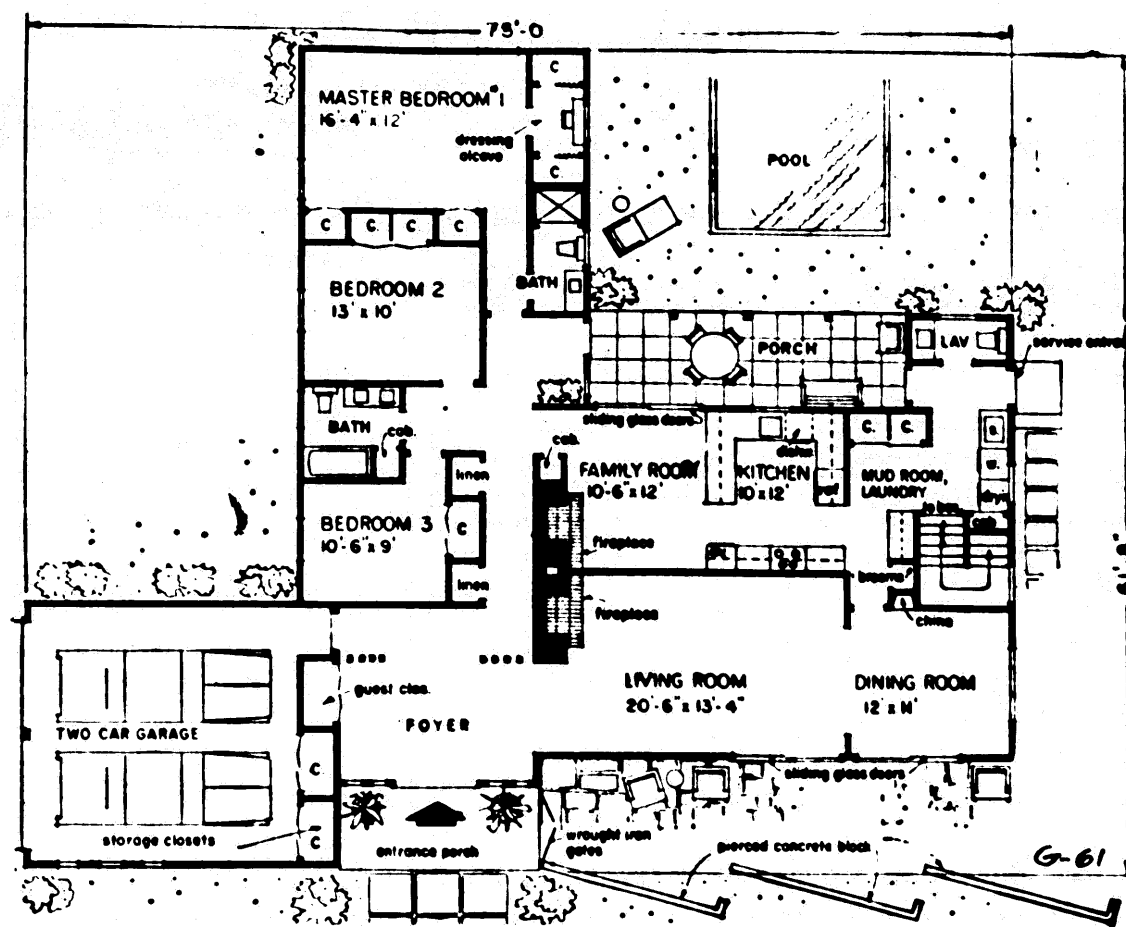

LIVING ROOM SPLENDOR: Looking past this interesting living room, one notes the large front foyer in the background, with sliding glass doors at the left leading to a privacy patio.

SPANISH MODERN: The best features of old Spanish architecture have been incorporated into this three bedroom, one-story house, but the architect has given the in-

terior all the design assets that contribute to good living in this age.

Old Homestead Is Modern

FLOOR PLANS: Practical traffic pattern permits movement from the oversized foyer directly to the living room-dining room area, the family room-kitchen combination or the bedroom wing. Circulation layout is further enhanced by the multiplicity of entrances to house.

By ANDY LANG

The Spanish missions of the old American Southwest and the California coast were the fore-runners of the many variations of Spanish architecture seen throughout the country today.

These variations have conformed, in one way or another, to climatic conditions in areas far removed from the Southwest and California—to financial considerations, among them the prices that prospective purchasers might be willing to pay—and to the necessity of a certain amount of architectural blending with the surrounding communities.

In recent years, there has been a definite new wave of popularity for Spanish-styled residences, along with a parallel preference for Spanish furniture and decor.

This latest House of the Week takes the Spanish influence and detail and combines it with the best in modern living. Typical of the architectural style which we are discussing are the double gable roof with cantilever; the flat, exposed beams and projected ends; the double front entrance doors; small square windows; chimney pots; and stucco exterior. Comfortable living in this day and age is taken care of by architect Rudolph A. Matern with such things as a fine circulation pattern, often ignored in past eras; excellent service entrance facilities, including ample space for modern appliances; a two-car garage with storage closets; and a floor plan with large open areas, such as the in-line design of the foyer, living room and dining room.

An especially interesting feature of this house is the front patio, which extends 32' 6" in front of the living room and dining room and is accessible from each through sliding glass doors. An unusual and eye-catching privacy screen is created with the use of decorative concrete blocks. These blocks have openings large enough to permit the free passage of air without destroying their privacy asset. The patio also can be entered from the front porch through two wrought iron gates.

The porch itself is covered by an extension of the flat roof of the garage. This same roof covers the front portion of the inside foyer, in which are set three plastic sky domes for overhead, natural lighting in the day and a view of the sky and stars at night.

The foyer is a room-sized 14' by 13'. Along with the adjacent living room and dining room, there is a vista of more than 46'. Both the living room and the family room have log-burning fireplaces utilizing the same chimney. The housewife who likes plenty of wall space for the arrangement of furniture will have a field day with this living room.

The kitchen and family room also fall into the open-plan category, with a low service-cabinet counter acting as a divider. Sliding glass doors in the family room provide one of

4 accesses to the outdoors. The L-shape of the plan at the rear of the house forms a perfect set-up for the location of a pool just beyond the rear porch. If a pool is not desired, the area can be used for a spacious patio or garden, or both.

Service entrance facilities, as previously mentioned, are excellent. There is a large mud and laundry room, closets, cabinets, a lavatory and direct entrance to the basement.

There's a private dressing room, with dual closets and a vanity, in the master bedroom, as well as a private bath with

a stall shower. A second bath is between the two other bedrooms. Each of the three bedrooms can be reached from either the front or rear of the house without going through any other room.

A good mixture of the old and the new in Design G-61.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year . . . more than for all magazine advertising combined and more than 300 million more than radio advertising.

China's Red Guard In Power Strife

BELGRADE, Yugoslavia (AP) — Peking's Red Guards have split into opposing groups struggling to control the Communist youth movement, the Yugoslav news agency Tanjug reports.

Tanjung said Peking's Red Guards paper "East is Red" identified the groups as the revolutionary insurgents, who consider themselves the only true representatives of Mao Tse-tung, and an older outfit labeled Royalists.

The Red Guards paper, reporting on a fight between the groups at a textile factory Sept. 11, urged dissolution of the Royalist unit, Tanjug's correspondent in Peking said.

The paper said similar incidents are occurring in many factories and the struggle between the two groups is acute.

Ecorse And Union Dispute Security

ECORSE (AP) — State mediators plan to help the City of Ecorse and its public employees union resolve a dispute over union security in a proposed contract.

The Michigan Labor Mediation Board agreed to meet possibly Monday, with the city's bargaining committee and Local

1008 of the American Federation of State, County and Municipal Employees.

The city has rejected a union demand for a security clause giving the labor federation rights to collect fees equal to union dues from employees covered by the contract who choose not to belong to the union.

In October and earlier this month, the union struck the city over the contract dispute.

Sues Demos To Collect For Work

LANSING (AP)—Contending Michigan democrats have not paid a \$1,400 bill for work on a parking lot at their state headquarters. A Lansing excavating firm filed suit in circuit court here.

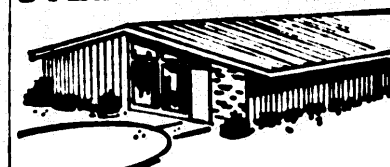

Cadwell Inc. of Lansing said in its petition that it helped complete a parking lot Nov. 9 and 10, 1965 in connection with a visit to the headquarters building by U. S. Sen. Edward M. (Ted) Kennedy.

The excavating firm said it has not been paid. It named the Democratic party and the Democratic State Central Committee as defendants.

Zoltan Ferency, Democratic state chairman, said he was not familiar with the case but "if there is any merit to it, I am sure we will be able to settle it amicably."

Touch Football Is Most Dangerous Sport

THE NATIONAL REPORT ON WHAT'S HAPPENING
THEY BLAME YOUTH FOR MOST ANYTHING: "College boys sock sock" is the wail of the sock industry — because the fad of walking sock-free in loafers is big, too, on college campuses. Actually, this trend started several years ago among all ages and sexes... seemed easier and more natural when wearing slip-on shoes. But it really jumped into fashion this summer when the international jet set shed socks with all types of sport costumes — after legs got a good tan. No one yet wanders sockless in shoes with laces... in ski boots... or wearing a tuxedo. Signs are current fad will probably not go much further... because sock manufacturers are valiantly fighting back. New combination striped velour socks, brightly-colored leisure socks, and new over-the-calf length socks are being rushed out to shame bald-ankle young males into keeping toes gay and cozy with sockwear.

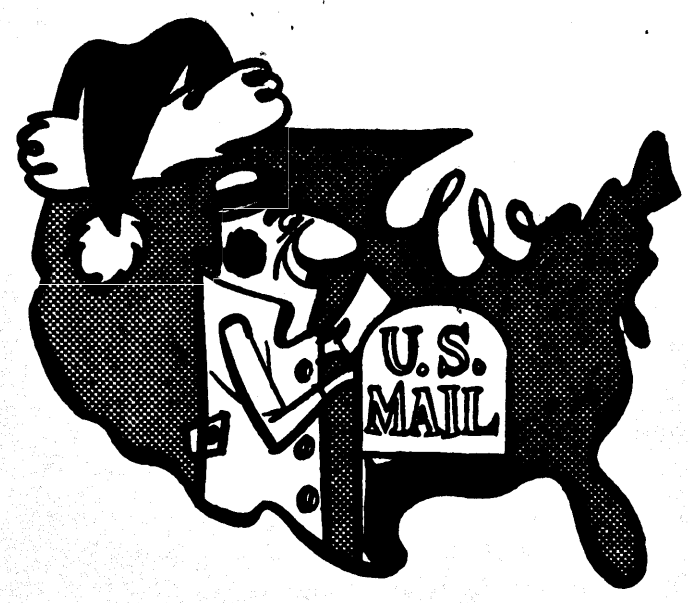

GUITARS CONTINUE TO BE GO-GO: Some 10 million people finger guitars in this country... the great majority of them are you. Girls strum mostly the straight models, teen boys buy the lion's share of the electrics. You play them alone... you play them with ukeleles, banjos and other instruments... you feature them (straight or electric) for the combos you organize. You play everything from folk to classical to pop music on their strings. School music clubs are "in" — now more than ever — with the guitar-smitten. Round up five or

10 guys and gals who can play melodies, then latch on to a qualified leader. Music buffs testify the guitar is "a social musical instrument." To buy a guitar that'll churn out the kind of music you want, first give it a test... check the string action both for tautness and ease of fingering... and see there's no warping of neck or fingerboard, no splits in the wood. Good "used" guitars, like good used cars, are fine to own... good new ones have a high trade-in value. How much should you pay? Varies — for a good straight folk, classic or archtop (best for rock 'n' roll) minimum is \$40, maximum \$500... for an electric with amplifier (that out-rolls and out-rolls the archtop) the floor is \$100, the roof \$1,400.

Youth Beat

THE NATIONAL REPORT ON WHAT'S HAPPENING
MOST DANGEROUS COLLEGE SPORT — TOUCH FOOTBALL: A report just whisked out by the University of Iowa proclaims that touch football, as far as getting hurt goes, is a tougher game than varsity football. Among games played around the campus, touch football tops all others in admissions for injuries. Others high up on the injury-prone list in sports at college are skiing, physical education and workouts on the Trampoline. The university's statistics on the rough, tough game of touch football do not clarify whether some of these are coeducational matches... mixing in lasses with the passes... which might affect the high incidence of injuries. **GRAB BAG OF NEW THINGS:** A slip of a girl in a slip of a dress. Newest fad of one New York model is to skip to parties

free of a dress. Instead, she wears a slip — in a print, in silver, a Paisley... naturally solid and not sheer. Underwear as outerwear designers swear is now hip. Calling all nail biters. The first antinailbiting pharmaceutical compounded especially for young adults is now on the market. A nasty-tasting chemical you paint on, the manufacturers say it's for the millions of U. S. families (one family in three) that shelter a nail biter... who is usually a young adult and (the chances are two-to-one) a girl. British are finding baseball's not cricket. The BBC took a big gamble and showed the British Isles a film of this year's World Series, one of young America's favorite events. It baffled the British viewers who got excited about cricket, a game that's played with a flat bat and wickets and can last all day. Typical was one puzzled Londoner's query: "Why does the catcher in U. S. baseball wear a fence's mask? The Fig Leaf is the name of a new shop opened at Antioch College by the Community Government... with such little coverage, everyone's wondering what they have to sell.

Crusaders End Losing Streak

MARQUETTE — The Holy Name Crusaders accomplished in two starts this season what they were unable to do all last year as they notched a 48-41 triumph over Marquette Baraga Wednesday night.

The victory snapped a 21 game losing streak for the Crusaders, extending back to the district tournament in 1965, which included 19 straight setbacks last season. Two of those defeats last season were sustained at the hands of the Baraga Royals.

Coach John Butrymowicz's cagers, who had bowed to Eskey in their season opener last weekend, played the host Royals on even terms in a 10-10

first quarter and then took command with a solid performance that produced a 38-28 lead entering the final period.

Five of Holy Name's 18 field goals came off a well executed fast break as the Crusaders dominated the boards. Terry DuFour snatched 15 rebounds to lead his mates in that category. Tom Smith pulled down nine, Tom Menard eight and Bob Brisco seven as the Crusaders cleared the boards 55 times to 40 for the Royals.

The Crusaders fired at a 32 per cent pace from the field, clicking on 18 of their 52 shots. They added 12 of 25 attempts from the foul line for 48 per cent. Marquette Baraga scored 13 field goals in 63 shots for 21 per cent and hit on 15 of 27 for 55 per cent from the charity line.

The Crusaders lost possession of the ball 14 times while Marquette Baraga had 10 turnovers.

Guard Dave Cannon, front man on the fast break, led the Crusaders in scoring with 13 points while running mate Tom Menard chipped in with 11. Baraga's John Inch matched Cannon in the scoring department.

The Crusaders get a week's vacation before returning to action in a home stand against Stephenson Dec. 2.

The Holy Name jayvees also won Wednesday night, scoring

Gift Shots Pay Off For Nahma

EBEN — Coach Warren Gro-leau's Nahma Arrows took advantage of 25 Eben fouls here Wednesday night to pump in 23 free throws enroute to a 51-43 Central League triumph.

Outscored by five field goals, 19 to 14, the Arrows converted 23 of 35 shots from the foul line to more than make up the difference. Eben managed only five free throws out of 13 opportunities.

Mike Turan led the Arrows to their second victory in three starts with 14 points while Rick Mercer and Jim Sefcik also reached double scoring figures.

Box Score:

	FG	FT	PF	TP
EBEN	14	5	25	43
Nahma	19	13	35	51

Wings Suffer Fifth In Row

BOSTON (AP)—The hapless Detroit Red Wings, in the midst of one of their worst slumps in recent years, had little to be thankful for Thanksgiving Day.

The Boston Bruins, once the doormat of the National Hockey League, demolished the Wings 6-3 at Boston Garden.

In the only other NHL game, league-leading Chicago blanked Montreal 5-0.

The loss was the fifth in a row for Detroit and its eighth straight on the road this season. The Red Wings have been outscored 28 to 9 in the losing streak.

Eight Boston players shared in the scoring. Only two skaters failed to collect either a goal or an assist.

Norm Ullman scored two of Detroit's goals. Ted Hampson got the other.

Boston built up a 4-0 lead before Ullman's two tallies cut the gap briefly in the first period. But the Bruins scored two more times to roar out in front for keeps.

The ruthless Bruins peppered Detroit goalie Roger Crozier with 43 shots. The Wings collected 33 shots on Bruins' netminder Gerry Cheevers, but missed on several good opportunities.

The Black Hawks scored three times in the first ten minutes and coasted to victory over Montreal. Stan Mikita scored a goal and an assist for Chicago to boost his loop-leading point total to 28.

Hawks' goalie Glenn Hall kicked out 31 shots to record his first shutout of the season and the 67th of his NHL career.

Bill Jurgens and Mike Higgins, former managers of the Boston Red Sox, scout for the Houston Astros.

Oakland Bows, 31-10

OAKLAND, Calif. (AP) — Oakland's Raiders tell you it's tough to run against the Buffalo Bills who've moved closer to top honors a third straight year in the American Football League.

In a game billed as a must for both Buffalo and Oakland on Thanksgiving Day, it was the Bills by a 31-10 count after their defense provided the turning point in their fifth straight victory.

Deadlocked 7-7, quarterback Tom Flores hit and Art Powell with a 35-yard pass reaching the Buffalo 1. Oakland's Mike Edwards kicked a field goal but the Bills evened the count and went ahead by halftime.

Victory for Buffalo virtually assured Kansas City the title in the West since the Chiefs stand 8-2-1 while the second place Raiders dropped to 7-5.

Buffalo went to 8-3-1 and a solid lead over Boston which stands 5-3-2 and New York at 5-4-1.

In games Sunday, San Diego plays at Denver, Kansas City at New York and Boston at Miami. Buffalo meets Boston on Dec. 4 on the Patriots home field in what could be the Eastern decider.

The Raiders netted only 58 yards rushing against the big Buffalo forward wall while full-

back Wray Carlton alone ran for 97 against the Raiders. He scored two touchdowns, on runs of 11 and 2 yards.

The New York Jets face a must win situation against the Kansas City Chiefs in their Sunday set at Shea Stadium. A defeat would be the fifth for the Jets and virtually knock them out of contention in the Eastern Division.

Boston is favored to stay in second place back of Buffalo by beating the Dolphins at Miami. San Diego similarly is favored to beat Denver in the other Sunday game. Houston is idle this week.

Buffalo Defense just Too Rugged

one-half game ahead of the idle St. Louis Cardinals, who take on improved Pittsburgh Sunday without No. 1 quarterback Charley Johnson, who's out for the year with a damaged knee.

Meredith completed 16 of 24 passes for 131 yards and no touchdowns, directed another touchdown drive and set up two of Danny Villanueva's four field goals with his passing and running. "I thought Meredith called a great game," said Cowboys Coach Tom Landry. "He mixed his plays very well and kept a balanced game going."

The Dallas signal-caller's confident they'll nail their first division crown since coming into the NFL six years ago. "We expect to win it," he said. "We have three games to go and we'll just have to win them all."

The Cowboys, 9-2-1, entertain St. Louis and Washington at home before winding up their schedule at New York Dec. 18.

In the NFL's other Thanksgiving Day tussle, John Brodie led the San Francisco 49ers to a 41-14 triumph over the Detroit Lions.

Sunday, in addition to the Steelers-Cardinals scrap at St. Louis, the Green Bay Packers are at Minnesota, the Los Angeles Rams at Baltimore, the Atlanta Falcons at Chicago and the Giants at Washington.

Dallas, beaten seven straight times by the Browns and 11 times in 12 previous meetings, overcame a 14-13 halftime deficit Thursday to hand the defending Eastern champions their fourth setback in 11 starts. Villanueva booted 12 and 13-yard field goals in the third quarter and Don Perkins, who carried for 111 yards in all, capped a 3-yard fourth-quarter march with a 10-yard scoring jaunt.

ke scored from the one just after the second period ended.

But Brodie hit John David Crow with a 34-yard pass play to set up a 10-yard field goal by davis. Then San Francisco got a touchdown on a 34-yard drive. Willard ran for 17 yards in 20 carries. Or that Dave Kopy was responsible by catching a 24-yard touchdown pass, recovering a Detroit fumble and then running 32 yards for another TD.

But the fact is that the San Francisco 49ers front walls—both offensive and defensive—smashed the bubble of three games without defeat for the Detroit Lions.

The 49ers turned the National Football League Thanksgiving Day feature into a 41-14 rout.

Lion quarterback Karl Sweetan said, "They played real good defensive ball. That's the worst I've ever thrown against."

Sweetan was thrown three times for 26 yards lost while trying to pass.

Offensive lineman John Gordy said, "They used an odd alignment and stunted a lot. They shifted their strength onto our weakness. We were flat and didn't do a very good job of adjusting."

Defensive linebacker Wayne Walker said, "They just knocked heck out of us running right straight at us."

The 49ers drove to a field goal in nine plays the first time they had the ball, with Brodie hitting Bernie Casey for 20 yards and Dave Parks for 19 in the drive. Tommy Davis kicked a 14-yard field goal.

San Francisco quickly got a touchdown when Mike Dowdle picked off a Sweetan pass and ran 27 yards for a touchdown.

Detroit got back in the game when Johnny Robinson ran a punt back 79 yards to score.

The Lions went ahead when Sweetan hit Ron Kramer with a 68-yard pass play to the San Francisco eight, the longest in Kramer's career. Tom Nowatz-

HALFBACK BOB FELTS (45) of the Detroit Lions tried to summersault over the San Francisco 49er line at the one yard line and ended up in this position as he is hit by defensive back Mike Dowdle. (AP Wirephoto)

Detroit Lions' Bubble Bursts

DETROIT (AP)—The bubble burst for the Detroit Lions.

You could say John Brodie pricked it by completing 14 of 24 passes for 253 yards and two touchdowns. Or that Ken Willard did it by thundering through the Detroit line for 114 yards on 20 carries. Or that Dave Kopy was responsible by catching a 24-yard touchdown pass, recovering a Detroit fumble and then running 32 yards for another TD.

But the fact is that the San Francisco 49ers front walls—both offensive and defensive—smashed the bubble of three games without defeat for the Detroit Lions.

The 49ers turned the National Football League Thanksgiving Day feature into a 41-14 rout.

Lion quarterback Karl Sweetan said, "They played real good defensive ball. That's the worst I've ever thrown against."

Sweetan was thrown three times for 26 yards lost while trying to pass.

Packers Picked By Slim Margin

By JACK HAND

NEW YORK (AP) — Will Green Bay catch up with Francis Tarkenton the second time around? Can Terry Nofsinger get St. Louis moving again? Will John Unitas snap out of his slump against the Rams?

Let's take another shot at picking the winners in the Sunday games:

NFL

Green Bay 24, Minnesota 20—Tarkenton drove Vince Lombardi mad in their first meeting when the Vikings won 20-17 in Green Bay Nov. 6. Packers lead series 9-2 and are coming off win over Bears while Vikings bowed to Lions and Rams. Scramblers like Tarkenton and George Mira usually give the

Packers fits so Francis could do it again.

Baltimore 16, Los Angeles 7—Scared of this one. Unitas benched last week and his arm is tender. Rams humiliated Giants and beat up Vikings with super defense. Rams gained all the ground Oct. 30 but Colts won 17-3.

Washington 23, New York 9—Redskins get even for 13-10 loss in New York, Oct. 16, only Giants' win of year. Sonny Jurgensen due to peek defense to bits with plenty of time to unload.

Chicago 24, Atlanta 14—May not be easy. Falcons have been moving ball against everybody, gave Colts trouble before finally breaking into win column against Giants. Defense should win it for Bears.

Pittsburgh 12, St. Louis 9—A field goal battle between Mike Clark and Jim Bakken. Could be another upset win for Steelers who beat Cards 30-9 Nov. 13. Philadelphia has the bye.

AFL

Boston 27, Miami 14 — Pats weak on pass defense but so are Dolphins. Boston has punch of Jim Nance and field goal kicking of Gino Cappelletti.

San Diego 24, Denver 19 — Chargers snap out of tailspin after one-week bye but they can't take chances with Broncos who came close, 24-17 before bowing to San Diego earlier. Lance Alworth due back.

Kansas City 23, New York 21 — A toughie. Chiefs moving in on clinch of Western title. Jets fighting to stay in Eastern race. Joe Namath must do super job against high-scoring Chiefs. Houston has the bye.

Champ Beaten In X-Country

WICHITA, Kan. (AP) — Tarry-Harrison of Colorado State upset Olympian Oscar Moore of Southern Illinois for the individual title and Kansas State's Big Eight champs took the team crown in the U.S. Track and Field Federation Cross Country Championships Thursday.

Harrison, who was 27th in the NCAA meet Monday, ran 29:57 on the six-mile course at Echo Hills Golf course.

K-State, runner-up in the NCAA meet, squeezed past San Jose State 66-67 for the title.

Meredith Guides Cowboys To Victory Over Browns

By The Associated Press

Don Meredith is calling his shots again and the Dallas Cowboys are drawing a bead on their first division title in the National Football League.

Meredith, intercepted four times in an early-season loss to Cleveland, picked the Browns' defense apart Thursday, driving the Cowboys to a 26-14 victory that sent them into first place in the NFL's Eastern Division stretch race.

The victory moved Dallas

City League Drills Begin

The City League basketball program, sponsored by the Recreation Department in cooperation with the Escanaba Area Public Schools, will begin preparations for the 1966-67 season Monday, Nov. 28, at 7 p. m. in the Junior High gym. Teams from Bay de Noc Community College will hold a practice session and meet in an informal practice game at 8.

On Wednesday, Nov. 30, the remainder of the league will hold drills and then split up into teams for practice games.

Official league play will get underway on Monday, Dec. 5. Games will be played on Monday and Wednesday nights at the Junior High during the winter months with the traditional break during the Christmas holidays. Boys attending high school are not eligible to participate. Bob Jensen will be in charge of the league and necessary supervision will be provided by the Recreation Department. The entry fee will be \$15 per team which will take care of all expenses including a league and tournament trophy. Preliminary reports indicate that the league will operate with eight teams, the same number as last season.

Stephenson Has One Letterman Back This Year

STEPHENSON—Coach Gus Lord's Stephenson Eagles, facing a tremendous rebuilding job, will unveil their new lineup in a game at Iron Mountain Tuesday, Nov. 29.

The Eagles have only one letterman back from last year's Great Northern Conference championship team that fashioned a fine 13-4 overall record.

Back in the fold is senior Bruce Weng, a guard. Others on the squad include seniors Russell Carlson, Wayne Mulzer, Ken Kline, Fred Phillips, Keith Picard and Larry Saltz, plus juniors Mark Dougovito, Gus Lord, John Gunderson and George Ives up from the junior varsity ranks, sophomores Clark Johnson and Dennis Alexejuk and freshman Byron Lord and Barry Hafeman. The sopho and freshmen will be with the jayvee squad, Lord stated.

Here's the probable starting lineup against the veteran Iron Mountain team Tuesday night: Weng and Carlson at guards, Phillips at center, Picard, Kline, Lord and Gunderson in a toe-up at the forwards. Doug-

Injured Irish Will Stay Home

SOUTH BEND, Ind. (AP) — Four injured key players were left out the Notre Dame football traveling squad named Thursday by coach Ara Parseghian for the Irish's season finale at Southern California Saturday.

Those remaining home include quarterback Terry Hanratty, halfbacks Rocky Bleier and Bob Gladieux and center George Goedeke.

Nick Eddy, the team's top runner who missed the Michigan State game last week with a bruised shoulder, was on the squad.

Huskies Taste First Defeat

CANTON, N. Y. (AP) — The St. Lawrence Husky team defeated Michigan Tech, the defending champions of the Western Conference, 4-1, Thursday night for its second straight victory in two games this season.

Larrie Goale John Went recorded 37 saves, 22 in the final period, to preserve the win. Michigan goalie Rick Best had 23 stops.

The Tech team, now with a 2-1 record this year, was 23-6-1 a year ago.

The Larries had a 15-8-1 mark last season.

PORTLAND, Maine — Pete Riccitelli, 168, Portland, stepped Abe Walden, 171, New York, 6.

Kathy Trailing In Golf Field

AUGUSTA, Ga. (AP) — Defending champion Kathy Whitworth says if the weather holds up, the scores should be better than ever at this year's 27th annual Titleholders Golf Tournament.

But Miss Whitworth, who carded a two-over-par 74 during balmy, cloudless weather Thursday, was one stroke off the first-round pace and will have to go some to match her last year's mark.

The San Antonio, Tex., golfer set an Augusta Country Club women's record in 1965 with a one-under-par 287 for 72 holes.

Atop the first round listings with 73s were Peggy Kirk Bell, a veteran pro from Southern Pines, N.C.; Jan Ferraris of San Francisco, who turned pro only in July; Judy Kimball of Dallas, Tex.; and Mary Mills of Ocean Springs, Miss.

Sample Cool Ace As Emeralds Win

SAULT STE. MARIE—Gary Sample, a 6 foot 3 inch junior, stepped to the free throw line with seven seconds to go in the game here Wednesday night and calmly tossed in a pair of gift shots to give the Manistique Emeralds a 60-59 Great Lakes Conference victory over the Soo Blue Devils.

The stage was set for Sample's clutch performance when he was fouled on an out-of-bounds play with Soo holding a slim 59-58 lead. Following his two successful gift tosses, Soo was unable to get off a shot before the final buzzer.

The Emeralds, notching their first victory of the season, played without head coach Rudie Brandstrom who had been called to Minnesota because of illness in his family. Howard Schwartz, junior varsity coach, took the varsity reins. His jayvees also won the preliminary, 63-58.

It was a hectic game from the opening tipoff with Soo leading, 18-17, at the end of the first period and the Emer-

alds ahead, 40-36, at halftime. Manistique threw a full court press on the Blue Devils in the second half.

Sample took individual scoring honors for the night with 23 points. Dave Barton reached double figures for the Emeralds with 11 while Dennis White and Ole Sholander turned in outstanding rebounding performances.

The Emeralds will be back in action Friday, Dec. 2, in a home stand against Gladstone.

Bowl Bound Nebraska Defeated By Sooners

By The Associated Press

Army and Navy clash in their traditional battle at Philadelphia Saturday while Notre Dame risks its somewhat shaky No. 1 rating and Georgia Tech exposes its perfect record in other key games.

The Irish, who held on to the top spot in The Associated Press poll by a slim three points over Michigan State after tying the Spartans 10-10 last week, take on Rose Bowl-bound Southern California at Los Angeles.

Georgia Tech, winner of nine straight, ranked fifth and headed for the Orange Bowl, faces Georgia, which is 8-1 and set for a Cotton Bowl date with the Southwest Conference champion. The Bulldogs are ranked seventh.

Oklahoma took some of the edge off fourth-ranked Nebraska's Sugar Bowl appointment with Alabama by snapping the Cornhuskers' nine game winning streak 10-0 on Mike Vachon's last-minute field goal Thursday.

In other games on Thanksgiving Day, Texas clinched a Bluebonnet Bowl berth with a 29-14 victory over Texas A&M. Virginia Tech walked up Virginia Military 10-13. Villanova downed George Washington 16-7. Tulsa defeated Wichita 21-14.

Vachon, who had missed a 33-yard field goal try in the first half and a 20-yard attempt early in the fourth quarter, kicked the winning three-pointer 21 yards on fourth down with just 48 seconds left to play.

Oklahoma Coach Jim MacKenzie said he had told Vachon not to be upset after missing the 33-yard attempt.

"Don't get your spirits down, we'll get you another chance,"

VGS HARDWARE
Gladstone

ROBERT TIMMER, left, of Escanaba, district law supervisor for the Michigan Conservation Department, and Ernest Pomeroy, Marquette, commercial fisheries patrol officer, load 29 boxes of confiscated whitefish from the Tallman dock in Munising onto a truck to be transported to Gladstone Fisheries, where the catch was sold by the state for \$1,194.30. The 2,880 pounds of whitefish were seized Tuesday, and three Munising commercial fishermen were arrested on charges of having whitefish in possession during the closed season. The three — Roger J. Tallman, Roger V. Tallman and Joseph Refruschini — pleaded innocent. Trial was set for Dec. 6.

Buttomer Is Stroke Victim

Frank N. Buttomer, vice-president-traffic and sales for North Central Airlines, died Thursday at Fairview Hospital, at Edina, Minn., a Minneapolis suburb, at the age of 62.

Mr. Buttomer, who joined the Minneapolis-based airline as general traffic and sales manager in 1950, suffered a stroke early Tuesday.

Before joining North Central he had worked for two other airlines. He joined Trans-World Airlines in 1942 where he was on special assignments, planning and development, and he later became director of economic controls at Mid-Con-

tinent Airlines, now Braniff International Airlines.

As a North Central official he was responsible for the company's traffic department, coordination of sales, advertising, public relations and promotions. He also headed the airline's route development program.

Mr. Buttomer was a member of the Minneapolis Aviation Committee, the Skol Club and Sertoma International.

Survivors include his widow, Lois, his mother, Mrs. Joseph D. Buttomer and a sister, Mrs. Philip Wenski, both of Dallas, Tex.

Services will be at 11 a.m. Saturday at Werner's Brothers Mortuary, 3500 W. 50th St., Minneapolis, with burial Monday in Mt. Moriah Cemetery, Kansas City, Mo.

GE Expands

ERIE, Pa. (AP) — General Electric Co. has announced it is launching an \$8 million expansion and modernization program at its Erie works.

Vice President Oscar L. Dunn said Wednesday that the firm will construct facilities providing 163,000 square feet of space, adding onto an existing structure and erecting a new one.

Decide On Agent

DETROIT (AP) — Workers in Detroit's Total Action Against Poverty program will vote Monday on a collective bargaining agent. They will decide between Council 77 of the American Federation of State, County and Municipal Employees and Local 417 of the Office and Clerical Employees International Union. Some 750 of the 900 workers are eligible to vote.

Hunt Conditions Poor For Finale

Hunting conditions in the Upper Peninsula were the poorest of the season today as the 16-day deer hunt headed into its final three days.

Temperatures throughout the Upper Peninsula ranged between 35 and 40 degrees with skies overcast and rain or mist falling.

"This is about the worst possible weather for deer hunting," said John Kemppanin of Marquette, regional dispatcher for the Conservation Dept.

Back roads were reported in very bad condition with some impassable because of heavy rains, traffic and thawing

Weather. Hunting activity in the Escanaba district Thursday was described as "very light" by Robert Timmer, district law supervisor.

Two hunters, however, one in the Danforth area, were lost. Both walked out of the woods under their own power after hearing Conservation Dept. and State Police sirens.

David Erickson, 33, 1414 1st Ave. S., came out of woods in the Danforth ski hill area about 11:15 p.m. Thursday after apparently becoming lost in a swamp near dusk. Officers said he was cold and wet, but otherwise in good condition.

Gary Dawson, 24, L'Anse, who had been missing in Marquette County since noon Wednesday, walked out of the woods at 11 a.m. Thursday.

There were no gunfire accidents or heart attack victims reported.

At the Mackinac Bridge, latest count showed 9,565 deer and 151 bear taken south this year, compared with 10,261 deer and 98 bear a year ago.

GOP To Hold Victory Dinner

A Delta County Victory Dinner, to be held at Marco's Restaurant on Thursday, Dec. 1, will feature as speakers newly elected State Representative Charles Varnum, Congressman Philip Ruppe, and re-elected State Senator Thomas Schweigert.

The smorgasbord dinner will be served at 6:30 and tickets, priced at \$1.75, may be obtained from Forrest Henslee at the State Bank of Escanaba or any officers of the newly formed Republican Women's Club.

Elected as officers at the first meeting of this women's group Monday, Nov. 21, are Mrs. Rene Labre, president; Mrs. James Ferguson, vice-president; Mrs. Barnett Mills, secretary; and Mrs. Raymond Richards, treasurer.

Organizational plans are still tentative and interested women are welcome to attend and to contribute their ideas. Regular meetings will be held at Republican headquarters above the Escanaba Steam Laundry on the first Monday of each month at 1:30.

A special meeting is called for Monday, Nov. 28, at 1:30 to finalize plans for the Delta County Victory Dinner.

Youth Is Held For Auto Theft

Orrin Westlund, 17, of 1119 1st Ave. N., is being held in the Delta County jail to await arraignment on a charge of auto theft following his arrest by State Police of the Stephenson post at 8:05 p.m. Thursday.

It is charged that he and three juvenile boys from Escanaba drove away a car owned by Raymond St. Vincent Jr., of 418 S. 13th St. from where it was parked in the 100 block, N. 16th St., on Thursday afternoon.

St. Vincent reported the car missing and on Thursday evening Westlund was arrested by State Police on Highway M-35 near Wells Park in Menominee County.

The three boys with Westlund — two 14 and one 16 years old — were turned over to their parents and will be brought into juvenile court.

Washington, Jefferson and John Adams were all enthusiastic players of marbles.

ESCANABA CITY electric workmen check the light bulbs in the garlands which festoon Ludington St. for the holiday shopping period. The lights went on officially today in a lighting ceremony which marks Escanaba's opening of the holiday gift buying season. Escanaba decorates both Ludington St. and Stephenson Ave. each year in salute to the holidays. (Daily Press Photo)

Services Set Saturday For John J. Gnat

Funeral services for John J. Gnat, 73, of Gladstone will be held at 9 p.m. Saturday at All Saints Church in Gladstone with Msgr. LaViolette officiating. Burial will be in Fernwood Cemetery.

The 4th Degree K. of C. Rosary will be recited at 4:30 p.m. today at the Skradski Funeral Home and parish prayers will be recited at 8 p.m. today.

Mr. Gnat was born Jan. 21, 1893 in Rhinelander and had resided in Gladstone for 20 years. He was a retired Soo Line Engineer. He was a member of All Saint's Church, Holy Name Club, Lodge 640, K. of C., Gladstone Yacht Club and the Sportman's Club.

He is survived by his widow, Laura; two daughters, Mrs. Jack (Esther) Locks of Rhinelander, and Mrs. Sam (Evelyn) Davis of Queen's Village, N.Y.; one step-son, James Boyer of Escanaba, 10 grandchildren and one great grandchild; two brothers, Thomas of Cicero and Peter of California; two sisters,

Mrs. William Fadre of Chicago and Mrs. Anna Kaminski of Cicero.
